April 10 KACO

Westminster College seniors, McKenna Peters and Madison Rybak, will present on their recently awarded \$10,000 Projects for Peace grant. They will travel to Tanzania with Rotarians Bob Hansen and Amanda Gowin to begin a women's health initiative targeting teenage girls, focusing on menstrual hygiene. The goal is to keep girls in school so they delay marriage and their first pregnancy. This project fits into our club's Global Grant to reduce maternal, newborn, and infant mortality among the Maasai of Northern Tanzania.
