Dear Community Friends of Rotary;

For the 38th consecutive year, the Bolivar Rotary Club will sponsor the **CELEBRATION OF FREEDOM** community picnic and Fireworks Extravaganza. Preparations are in full swing for this year's event, which will be held Wednesday, July 4 on the beautiful campus of Southwest Baptist University in Bolivar. Festivities will begin at 6:00 p.m. with a community gathering featuring food and fun provided by area charity groups. Entertainment will be provided by local groups and Veterans will be honored with a special recognition ceremony. The community fireworks extravaganza is scheduled to begin shortly after dark.

The **CELEBRATION OF FREEDOM** has continued through the years because of the generosity of individuals, families, businesses, and organizations like you. We need your help to make this year a particular success. More important than helping to fund the Celebration, your donations also help the Bolivar Rotary Club support over 20 local charities and educational projects each year.

Every gift is welcome and all are appreciated. Donations of \$10 or more will be recognized in the pages of our **Celebration of Freedom** program given out to each attendee as well as a full-page advertisement generously provided by the Bolivar Herald Free-Press following the July 4th event.

The donation categories are:

Patriotically yours,
