

Bolivar Flag Program

Bolivar Rotary Club offers a service for the Bolivar community to celebrate our country's independence year-round through the posting of flags throughout the city. It's a tradition started decades ago by the Bolivar Optimist Club, and now continues with the support of the Rotary Club

Residents and businesses in Bolivar have registered as annual flag sponsors, in return their American flag is posted on the following holidays throughout the year (weather permitting).

The club and volunteers from the community meet at 7am to place flags throughout the community in teams. Each team completes posting their allotted flags within 30 minutes give or take. Of course with more hands, the less time this takes. That same evening, approximately 30 minutes prior to sunset, all the flags are collected and returned to storage, and again, the more hands the less time...you get the idea. The storage unit is at: Oakland & Broadway, behind Bolivar Office Express.

This is where your group comes in. If you feel this is a valuable project, worthy of your time and support, please join us showing our American Pride and patriotism by becoming a part of the volunteer teams posting the flags. We understand you may not be able to commit to each holiday we have on the schedule, so on the attached form, please take a moment to fill in your contact information, and holidays which would work best for your group.

Your support of the flag program, beyond the patriotic reasons, will support numerous projects in our community. During the past year, Rotary has given back to many local youth and charitable projects, has maintained John Playter Rotary Park, and has organized the annual Celebration of Freedom on July 4. The club is entirely committed to serving the community and making Bolivar stronger now and in the future.

Should you have any questions about the flag program or the Rotary Club, please contact the Club Treasurer or current President by emailing rotaryclub@bolivarmo.us.
