We will be virtually welcoming, Rotary International Director 2015-2017, Karen Wentz to our seminar! She was the first woman in Zones 30-31 to serve as RI Director and she will be discussing where we've come from, where we are, and where we're going.

Join us, Julie McCoy, Linda Puchbauer, Susan Haralson, and Jayne Lowe, along with our valuable instructor, Pamela Stewart, as we journey through our amazing years as Governors. We are planning on an hour or so of inspiration, stories and what motivated us to be leaders in Rotary! Maybe you would like to join the ranks of leadership in Rotary. Let us share with you our accomplishments and give you tips on how to achieve your goals. Share a beverage with us and have some fun!
