Mary Kromrey

Mary Kromrey has been the executive director of Ozark Greenways since 2017, where she organizes

special events, leads local advocacy efforts, participates in land trust activities, and works with donors.

Kromrey works closely with a long list of partners on various projects, including local government on the city and county levels, as well as private developers, Springfield Area Chamber of Commerce and City Utilities. Several stakeholders were contributors to a trail connection project along the Fulbright Spring Greenway completed in July. Kromrey led the project, noting it provided her “the opportunity to learn something new every day.”

Prior to arriving at Ozark Greenways, Kromrey was executive director of the School Age Services program for Ozarks Regional YMCA, where she led a team of nine with an annual operating budget of \$2.3 million for service of over 2,000 youth each school day.
