This Week at Rotary Alamo and the Community

Kathryn Vicat

Kathryn grew up in Strafford, Missouri and is a graduate of Missouri State University. After moving around the Midwest and spending a

career in education and working with a youth-based not-for-profit, Kathryn returned to Springfield where she began working for the Urban Districts Alliance/Downtown Springfield

Association, a corporate not-for-profit focusing on economic growth and redevelopment in downtown Springfield. It was this position that started her official event career where she began planning large community festivals with an average attendance of 10,000-20,000. From there she continued to expand her event experience at the O'Reilly Family Event Center, the Ozark Empire Fairgrounds and a few years as her own boss working as a caterer and event manager at a private event venue. Kathryn joined the Alamo team in September 2016 and manages private event sales and bookings, donation requests and community events. Kathryn lives in Strafford with her daughter and likes spending her spare time binge-watching movies and working to achieve world peace.
