2024 Scavenger Hunt Game Form

Name: _____ Contact Phone Number or E-Mail: _____

You do not need to be present to win, but we must have a way to contact you if you win a prize!

Rules and Clues: At 3:30 p.m., our leprechaun friends will dive into Spring Creek to race for the pot of gold! In the meantime, their younger and smaller cousins are having some St. Patrick's Day fun in Downtown Springdale! Twenty (20) of these miniature leprechauns are hiding between N. Thompson and Baggett Streets, between Meadow and Huntsville Avenue. Each has a tag with a number and code word. Find the leprechaun, fill in the location and code word on this form, then start looking for the next one. **Scavenger Hunt officially begins at 10:00 a.m. Some leprechauns will not appear until 2. One will disappear at 2.** Turn your game form into the Rotarians in **Turnbow Park by 3:00 p.m.** on Saturday, March 16, 2024, to be **entered in the prize drawing.** Prize drawing will begin with completed forms, but if you can't find them all, don't despair! Leprechauns can be tricky, so if some are elusive, the forms that come the closest will be eligible to win. Winners will be drawn prior to the leprechaun race at 3:30 p.m. Prizes are gift certificates for more fun in Downtown Springdale!
