My fellow Rotary members,

There is nothing quite like our annual Rotary International Convention. It's the only opportunity we members get to connect personally with people from around the world, celebrate our works of service together, and collaborate on every level to find solutions to our most pressing challenges. We do all of this at one event – while making memories that will last a lifetime.

Rotary will have plenty to celebrate 4-8 June 2022 at our convention in Houston, Texas, USA – a city that's as diverse as our members, as inventive as our approach to service, and as welcoming as any Rotary member you'll ever meet. And if you can't attend in person, you can still be a part of it through our virtual convention program.

As the world continues to change, so must Rotary. It is our nature to be innovative, to see what's possible, and to take the initiative to accomplish things that are often nearly impossible. This is why we are people of action. No matter what challenges come today, we will always Discover New Horizons that lead us to a better tomorrow.

Sincerely,

Shekhar and Rashi Mehta

Discover the city that explores the universe

The city of Houston, also known as Space City, is home to NASA's Johnson Space Center — the site of Mission Control for Apollo 11, the spaceflight that first took humans to the moon. Houston is an innovative hub for science and business, but there's much more that makes this urban and multicultural destination worthy of exploration.

In Houston, you'll discover:

- **Great food.** More than 10,000 restaurants represent more than 70 cuisines.
- **Diversity.** More than 145 languages are spoken in the city.
- **Space exploration.** At Space Center Houston, you can touch a moon rock, see former spacecraft, and simulate a spaceflight or spacewalk.
- **Sports.** The city is home to six professional sports teams.
- **Shopping.** The Galleria is the largest shopping center in Texas, with 400 shops and restaurants.
- **Parks.** The city ranks first among the 10 largest U.S. cities in total park area.
- **Arts and culture.** Houston has 19 world-class museums and seven cultural districts.
- **Accessible transportation.** METRORail trains and an underground pedestrian tunnel system make navigating the city easy.

Innovative service starts here

The Rotary International Convention is a launch site for service projects that make an impact. It's the starting place where members learn new skills, find inspiration, and connect with others to create change in their communities and around the globe.

“Every time I attend the convention, I come away inspired by the people I have met. By growing my network, I can help my club deliver far greater impact than we could on our own.”

Eeshwar Rajagopalan,
of the Rotaract Club of South Perth and the Rotary Club of Elizabeth Quay, Western Australia, Australia

Ideas inspire global action

No matter who you are or where you're from, you're bound to find inspirational moments throughout the convention. It's an experience unlike any other Rotary event and will renew your commitment to service and leadership. The convention program offers:

Breakout sessions

Participate in lively discussions, learn new skills, collaborate with other participants, and gain insight on topics that interest you the most.

General sessions

Experience the vibrant opening and closing sessions and hear inspirational speeches from world leaders, philanthropists, and celebrities.

The House of Friendship

Interact with people from around the world and learn about their Rotary projects. You can also enjoy live entertainment and regional cuisine while shopping for the best Rotary-branded merchandise.

Networking

Connect on a global level while meeting new friends, catching up with old ones, and making memories that'll last a lifetime.

If you can't attend in person, the virtual convention offers the opportunity to participate in program events and share in the convention experience with your friends, family, club, and community.
