

The Past District Governors of District 6110

We wish to honor the Rotarians who have accepted the position of District Governor. As Rotary grew, the layout of districts changed, generally getting smaller. Below are the names, dates and many photos of our Past District Governors. Some of the older photos are quite grainy or blurry. We have used the best we could find. If your club has a better photo, let us know.

Harry W. Stanley
1912-1913
Wichita, KS
District: Western

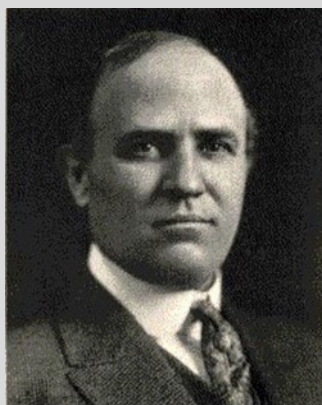

Paul M. Pope
1913-1914
