Kermit Womack 2023 Dick Daniel Distinguished Citizen Award by Rogers Noon Rotary Club

Rogers Rotary has always been blessed to have citizens who have stepped forward to make our community a better place to live. This year Rogers Rotary will again recognize another one of our citizens with our Dick Daniel Distinguished Citizen Award. The Dick Daniel Distinguished Citizen Award recognizes and honors individuals who strive toward the highest level of community involvement, influence, and dedication of time and energies toward making our community a better place to live. Distinguished Citizen nominees must meet each of these three specific criteria: 1. Demonstrated excellence, creativity and initiative in improving the community. 2. Provided valuable service by devoting time and energy to improving the quality of life for others in the community. 3. Assisted others in developing and utilizing their full leadership potential in the community.

Kermit Womack more than meets the criteria for the award and Rogers Rotary club is excited to recognize him as an outstanding leader. *Kermit Womack will be recognized at the 8th Annual Dick Daniel Distinguished Citizen Award Luncheon on August 1, 2023, held at Embassy Suites in Rogers.*

Kermit has selected that the proceeds from the event will be used to provide scholarships to graduate(s) of an accredited public high school in Rogers pursuing post-secondary education at a university, community college, or vocational or technical school in Arkansas.
