Shop With a Rotarian

- ❄ The Rotary Club of Broken Arrow is searching for sponsors in their Shop with a Rotarian program to assist young folks in our community.
- ❄ This is a hands-on project during which local business leaders personally take a disadvantaged youth holiday shopping for his or her family.
- ❄ Broken Arrow Neighbors helps identify children in need to give the children the opportunity to buy gifts for their families. It is a fun-filled event that builds the child's self-esteem, and allows them to experience first-hand the joy that comes from giving to others.
- ❄ The child is asked to make a list of things their family members would like.
- ❄ The Rotarian talks with the child while shopping to identify something the child would like for themselves.
- ❄ The Rotarian uses part of the funds allocated to purchase a secret gift for the child.
- ❄ Up to \$100.00 is allocated per child.
- ❄ Donations will determine how many children we can help.
- ❄ All funds go entirely to gift purchasing for the child.
