- Your contributions may be tax-deductible as Broken Arrow Rotary Club Foundation and Happy Hands are 501(c)3 Corporations.
- The winning team's name is engraved on the traveling "Crowing Rights" trophy which they keep until the next contest. Team members receive individual plaques.
- Trophies may also be awarded to teams winning their business or service division.

For the last 30 years, Happy Hands – a school for children who are deaf, with hearing loss or with communication disorders – has been serving children ages 0-6 years old from the Northeast Oklahoma Region.

The window to learn language is birth to age three. If the early window is missed, it is rarely recouped. Without specialized early language education, the average reading level of a deaf adult has been only third grade. Happy Hands opens the world of communication to deaf children and their families.

Don't miss this evening of fun and challenge.

Be sure to bring friends and family to follow along with the questions and join in the fun.
Guests may enjoy the refreshments for \$10.
