# Rotary Planned Giving

Dear friends,

100 years ago the world faced a challenging pandemic. At that time, Rotary was still in its infancy. Here we are in 2020 facing another world health crisis, and this time, Rotary is a force of resources, drive and determination. Rotary's response to COVID has changed communities and saved lives and will continue to do so. Help Rotary and the world plan for the next 100 years – while securing your own financial future today. A charitable gift annuity provides fixed payments to you and a loved one and supports the Endowment, so that Rotary can build strong communities, able to respond to future challenges.

As always, your planned giving team is available to address your specific philanthropic and financial goals. If you have already secured your legacy with Rotary, we thank you. Please see the attached as a tool you can use to inspire others.

I have never been more proud of or grateful for our Rotary community. I want to help continue your good work in any way I can!

Let's share hope together.

Warmest regards,

Karena J. Bierman, J.D.

Director of Gift Planning

## SMILE!

A doctor is examining a woman and he asks, "Do you have kids?"

The woman replies, "Yes, I have three kids."

Doctor asks, "Do you drink?"

The woman sighs and says, "Yes! I have three kids."

When I got to work this morning, my boss stormed up to me and said, "You missed work yesterday, didn't you?" I said, "No, not particularly."
