A Message from District Governor Jay Craig

Greetings Rotarians!!

Here we go, off at a gallop! The situation may have changed, as neither the country, nor Rotary looks like it did a year ago. Things just happen, and things just change. It has been said that the only thing constant, is change. We as Rotarians have experienced change before. This is not the only decade in our history in which profound changes have happened. We have had wars, crashes, terrorists, mayhem, around the globe, and yet, Rotary remains a steadfast shining star.

The Rotary theme for this period on the Rotary Calendar is "Membership and New Club Development". We have lost a few members due to the effect the Corona Virus has had on both our economy, as well as our temporary inability to meet freely in person. It is harder to hold a person's interest when you cannot see them. We are profoundly sorry for the difficulties this pandemic has placed on many of our families, and wish all a happy, prosperous recovery.

Yet, we must keep our focus on our current members, what we have to accomplish, and the new members

Welcome

New Daybreak Rotary members Vanessa Williams, Andy Ostmeyer and April Foulks.

that we can procure. Your District Leadership Team will soon launch a New Membership Drive. You will be hearing more about this at District Training Assembly, and from me when I visit your clubs. In addition, I have an idea for two new clubs that I would like to see started in our District this year. We are only limited by our imagination in what we seek to do. So let us let our imaginations soar!

Please know that I am profoundly proud of you. District 6110 is a great District! We are made up of members who bring a wealth of talent, diversity, inclusivity, enthusiasm, and hope. Let us all work together for the good that is to be. I will be seeing you all soon!

2020-2021 District Governor

SMILE!

A wife was making a breakfast of fried eggs for her husband. Suddenly, her husband burst into the kitchen. 'Careful,' he said, 'CAREFUL! Put in some more butter! Oh my gosh! You're cooking too many at once. TOO MANY! Turn them! TURN THEM NOW! We need more butter. Oh my gosh! WHERE are we going to get MORE BUTTER? They're going to STICK! Careful. CAREFUL! I said be CAREFUL! You NEVER listen to me when you're cooking! Never! Turn them! Hurry up! Are you CRAZY? Have you LOST your mind? Don't forget to salt them. You know you always forget to salt them. Use the salt. USE THE SALT! THE SALT!'

"Mabel, did you know you've got a suppository in your left ear?" Mabel answered, "I have a suppository?" She pulled it out and stared at it. Then she said, "Ethel, I'm glad you saw this thing. Now I think I know where my hearing aid is."

An elderly woman had just returned to her home from an evening at church service when she was startled by an intruder. As she caught the man in the act of robbing her home of its valuables, she yelled, "STOP! ACTS 2:38!" (Repent and be baptized, in the name of the lord, so that your sins may be forgiven.)

The burglar stopped in his tracks. The woman calmly called the police and explained what she had done. As the officer cuffed the man to take him in, he asked the burglar, "Why did you just stand there? All the old lady did was yell scripture at you."

"SCRIPTURE?!" replied the burglar, "She said she had an AXE and TWO 38's!"

The wife stared at him. 'What in the world is wrong with you? You think I don't know how to fry a couple of eggs?' The husband calmly replied, 'I just wanted to show you what it feels like when I'm driving.'

Two elderly women were eating breakfast in a restaurant one morning. Ethel noticed something funny about Mabel's ear and she said,

- Is it **FAIR** to all concerned?
- Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- Will it be **BENEFICIAL** to all concerned?
