

WEST LITTLE ROCK ROTARY

Who are we?

WE ARE A 501C3 NONPROFIT HOME FOR PREGNANT TEENS AND THEIR BABIES IN SPRINGDALE, AR. WE OFFER EDUCATIONAL OPPORTUNITIES, FINANCIAL LITERACY RESOURCES, PARENTING CLASSES, NUTRITION AND OTHER LIFE SKILL CLASSES TO DEVELOP PRODUCTIVE MOMS. ALL OF OUR SERVICES ARE FREE OF CHARGE TO THE RESIDENTS WE SERVE. OUR MISSION IS TO BREAK THE CYCLE OF POVERTY AND GENERATIONAL CHAINS THESE GIRLS ARE FACING.

Compassion House - Who We Are

OUR MATERNITY HOME CAN HOUSE UP TO 6 GIRLS AND THEIR BABIES AT ONE TIME. OUR CAMPUS IS LOCATED ON 1.5 ACRES
ON OUR CAMPUS, WE HAVE THE HOUSE, OFFICES, BARN, GARDEN, CHICKENS, & BEES FOR HONEY.

What We're Working On

GARDEN

The 2,500 sq ft garden is still growing. We created a fence around it and irrigation system.

We have partnered with local gardens to donate trees and seeds to our program. In the late summer/fall we will begin harvesting. We have a greenhouse now established to grow off-season. The goal is to enhance residents nutrition by cooking with our own vegetables lowering food costs as well as creating partnerships with other local non-profits with our excess.

BABY BARN

The barn is a boutique style shop for the girls to use their "Compassion Cash" on items that have been donated. The barn also houses 2 HIPPA compliant offices. Fall of 2022 we will be opening the barn up to other non-profits in need as well as local high school teen mom clubs.

CHICKENS/BEES

We have a chicken coop and chickens for fresh eggs. We received bees from the Beekeepers Association and have a mentor to train us on obtaining our own honey.
