May 6, 2021

To whom it may concern,

The Boys & Girls Club of Jefferson County is looking forward to the partnership with the Rotary Club of West Pine Bluff. We have had a long working relationship with Rotary, and it has been beneficial to the youth that we serve.

With these grant funds, we will be able to purchase PPE to keep our youth and their families safe from COVID-19. We will also be able to purchase hygiene kits to support our SMART Girls program. This program teaches girls ages 8 and up how to build self-esteem and that starts with good hygiene.

Sincerely,

Nyeshia Aldridge,
CEO
