

ROTARY CORPORATE MEMBER

14 January 2020

The concept is to enlist businesses in the area that are not represented in our Rotary Club to consider sponsoring and paying for one of their key executives to become a member of the Rotary Club of Alexandria.

1. **Corporate Members** – A business selects a key executive from their business to become a member of the Rotary Club of Alexandria and agrees to pay for dues, meals and other obligations of membership. (this commitment is \$300 per Quarter or \$1,200 per year.) The recommended member must meet the Qualifications for Club membership and have Board approval.
2. Although **attendance** is not required, it is highly recommended to get the most benefit from Rotary membership. Meals are to be paid in advance whether the member attends or not. Funds paid for meals when member is unable to attend are used for Rotary projects that give back to the Community.
3. **Alternates** - A Corporate membership allows for **one** key representative to become an **active member** of the Rotary Club of Alexandria. The business can **designate up to 2 Alternates**. Either of the Alternates can attend a meeting of our Club **when the designated member is unable to attend and the meal charges will be covered by the member's meal payment – without additional charges to the business**. This allows for more exposure to Rotary to more people and would be a perk for the business. Of course, the member can bring Alternates and/or additional guests to any meeting and be billed the following quarter for these meals.
4. **Advantages of Rotary Membership** –

Great Fellowship and Network Opportunity. The Rotary Club of Alexandria is the largest Rotary Club in North Louisiana and is the largest gathering of Community Leaders on a weekly basis in our area. Over 230 Community Leaders are members of The Rotary Club of Alexandria.

Timely Programs – Rotary selects 12 Program Chairs (one for each month) to bring exciting, informative and timely programs each week.

Community and Internationally Service – The Corporation is represented and the member (and Alternate) can participate in Community and International Service Projects. The Rotary Club of Alexandria is a prestigious organization and has **more than 100 years of Service in the Community**.
