Louisiana & St Landry Ag in the Classroom

Supplies: Book – Who Grew My Soup? – sponsored by St. Landry AITC
Sunflower Seeds – sponsored by Nutien Ag Solutions

Agriculture Suggested Activities:

1. Read “Who Grew My Soup?” to students in 2- 4grades in school, afterschool programs, Rotary Early Act Club, Boy’s or Girl’s Scout troop or children’s church group
2. Bring the sunflower seeds, some plastic containers and a bag of potting soil for planting seeds with youth to have the hands on opportunity to experience planting seed and anticipation of its growth in the coming weeks.
3. Bring the ingredients for a soup and discuss the type plants and parts of plants in a soup
4. Prepare a vegetable soup with students helping to prepare the vegetables
5. Serve a vegetable soup with students discussing the variety of vegetables and their plant parts such as stems, leaves, skin, pulp and roots used in the soup
6. Research on computer agriculture lessons for Who Grew My SOUP?
 - a. <http://www.agintheclassroom.org/TeacherResources/Lesson%20Booklets/Who%20Grew%20My%20Soup.pdf>
 - b. <https://daddystractor.com/2013/03/04/a-farm-lesson-plan-who-grew-my-soup/>
 - c. <https://www.agclassroom.org/teacher/matrix/lessonplan.cfm?lpid=57>
 - d. https://www.agclassroom.org/teacher/soup_movies.cfm
7. Tour a farm or grocery store with youth researching the vegetables grown and selection
8. Take pictures of Rotary members engaged with youth reading book, planting seeds and additional agriculture related project and email for presentation at 2021 District Conference – cln7709@bellsouth.net

Sincerely Enjoy Agriculture with Future Farmers, Scientist & Rotarians
