

Care Packages for Veterans

Lafayette, LA United States

Grant Description:

This \$2,000 grant is to provide needed items, predominantly hygiene-based, for veterans residing in nursing homes in the Acadiana region. This includes the nine communities of: Lafayette; Abbeville; Breaux Bridge; Opelousas; Jennings; Crowley; Rayne; Eunice; and New Iberia. If fully funded, The Rotary Club of Lafayette North will purchase the items necessary to assemble and deliver about 160 of these packages, spread between about 40 nursing home facilities in these communities. We will partner with the Acadiana Area for Veterans to identify the package recipients, their locations, and make deliveries. The Rotary Club of Lafayette North has budgeted \$2,000 of its own funds and is requesting a grant of an additional \$2,000, for a total project budget of \$4,000.
