NY

Greetings! Rotary International is emphasizing the impact of Youth Services with Rotaract as a direct influencer for the growth of future Rotarians. We currently have 3 active Rotaract Clubs in District 6200 – Southern University, ULL, and Baton Rouge Young Professionals (community based). We have 5 Community College Systems operating in District 6200. As Club President, you are implementing your plan of action for 2020-2021. Please consider encouraging your Rotary club to sponsor a Rotaract Club at your local community college. Many community colleges are eager to have a community service organization for their students to service the community using their talents and trades. On community college campuses are many students who were immersed in community service via enrollment in 4-H, FFA, FCCLA and FBLA to name a few high school organizations. Now, these young developing career professionals are within reach of Rotary clubs for implementing our motto, “Service Above Self” as Rotaract members. Please contact the Community College administration in order to begin the communication needed to establish an active Rotaract club.

Rotary Club of Eunice

Rotary Club of Crowley

Rotary Club of Rayne

Victor Raxsdale is our District 6200 Rotaract Chair victor.l.raxsdale@morganstanley.com

Karen Chauvin is our District 6200 Rotaract Chair karen.chauvin@gmail.com

Sincerely +++,

Yvonne L Normand
