**Interesting Fact**

The bronze bells that are rung at the beginning and end of every meeting have been a part of our club since 1921. The bells are engraved with the name and year of every Club President. The bells are currently undergoing the addition of a fourth bell to accommodate more names.

## Important Meeting—Be Sure to Attend

The board is looking for input for the spring fundraiser. An email will be sent outlining some ideas. On May 15<sup>th</sup>, you will have an opportunity to voice your opinion and help choose which fundraiser activity we will engage in. Please review the email and bring your ideas or concerns to this meeting.

## Playground Project

Wanda reports that she and Kevin Trevillian could use additional assistance with the East Side playground project. The club is donating \$15,000 to \$20,000 for this project to replace old playground equipment and make the park safe.

It is going to take a team effort to get all the equipment installed and it will take 1 to 2 days to get it done. Watch the newsletter for important information as a date is set. We will need a large group of volunteers from the club and possibly your friends, family or co-workers!

***We also need someone who would be willing to work on getting a \$2,500 District Matching grant for this project.***

Please contact Wanda if you can help out or have questions.
