PEOPLE OF ACTION

Our club offers opportunities for our members — those interested in making a difference — to get involved. Through meetings, social events, and volunteer projects, our members learn about the issues facing our community and communities all around the world, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

Our club is a proud part of the Green Bay community and Rotary International. We believe great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences, and perspectives with a shared desire to connect with others to address the challenges affecting our local and global communities.

MAKING A DIFFERENCE

Solving real problems takes real effort, commitment, and vision. Rotarians work to protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure, and make our community and the world a more peaceful place.

We work with various partners on the following projects:

- Tree planting - improving the local environment
- Adopt-a-highway - cleaning the local roadways
- Goodwill Wednesday - small projects with a big impact
- Kenya Water project - providing clean water; having a positive impact on health and economic development
- Puttin' for a purpose fundraiser - raising money to support local and international projects
- Ending polio — Partnering with the Bill & Melinda Gates Foundation, the World Health Organization, and UNICEF to end polio, once and for all

Our members have found it's a truly rewarding experience.

I love Rotary! I never imagined that I would benefit from so many opportunities when I first joined. It amazed me each year to see what an impact Rotary makes at home and around the world. I am proud to be a Rotarian
