

SOUTH HAVEN ROTARY SPOKES

Special Edition

June 23, 2025

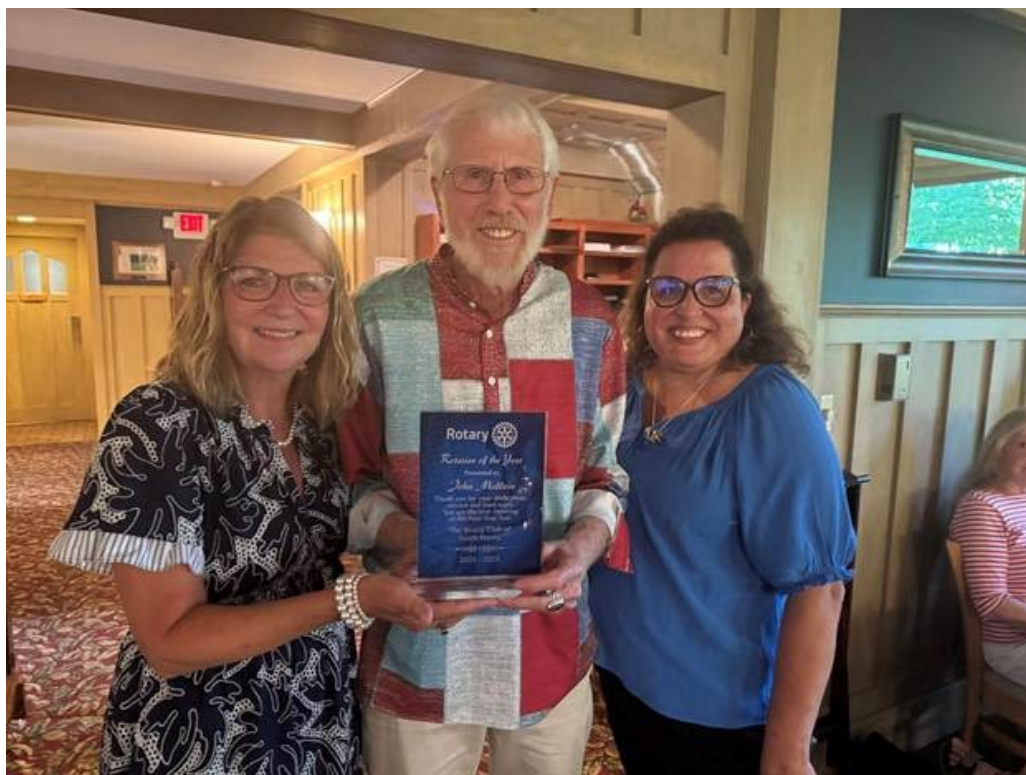

The Rotary Year under the leadership of Angelica R Gallegos-Dickerson was celebrated Monday night at the annual induction dinner of the Rotary Club of South Haven. Given the extreme heat, our wise “party planner” Rhonda earlier in the day made the decision to move the event indoors at Hawkshead. The 50 in attendance appreciated that!

The raffle and silent auction benefiting our scholarship program were well organized by Scott Mark.

The meal prepared by Greg and his staff was delicious!

Angelica expressed her appreciation for the club’s support, especially those in leadership roles. Incoming President Amy Nichols exuded enthusiasm for the Rotary year ahead.

The club honored John Mellein as the Rotarian of the Year. His steadfast commitment to developing our new Mental Health Wellness committee was acknowledged.

The Citizen of the Year award was presented to Kim Wise for her outstanding civic involvement, notably with the Robotics teams of South Haven Public Schools over the past decade.
