LONG-TERM EXCHANGES...

usually last one academic year, during which you attend school and live with families in your host country. To gain a greater understanding of the culture, you will live with at least two host families during your stay. To ensure your safety, the host Rotary club carefully screens and selects all host families. Additionally, the local host Rotary club pays you a monthly stipend and assigns a dedicated counselor to help you get the most out of your exchange.

ELIGIBILITY

Rotary Youth Exchange programs are open to students ages 15-18 ½ prior to departure. To qualify, applicants should be above-average students who have demonstrated leadership in their community. Candidates should also possess qualities such as flexibility and a willingness to try new things that will enable them to fully experience life in another country and become excellent cultural ambassadors. All applicants must be sponsored by a local Rotary club and complete a written application and in-person interview.

PROGRAM COST

The program is completely administered by Rotary club members, keeping program expenses low. Costs vary depending on the district and country where the exchange occurs, so contact your local club or district for specific information. Typically, students and their parents or guardians are expected to cover the following expenses:

- Round-trip airfare
- Travel insurance that includes medical, accident, and illness coverage and meets the requirements of host clubs and districts
- Travel documents (passports and visas)
- Spending money, ancillary travel, and tours
- Language camp or cultural orientation
- Emergency fund for unexpected expenses

Scholarship covers room, board, tuition, and a monthly stipend – valued over \$24,000.

HOW TO APPLY

Rotary Youth Exchanges are administered locally and all applicants must be sponsored by a local Rotary club and district.
