The Middleville Rotary Club has a diversity of membership.

Some of the many different occupations of members include doctors, lawyers, business owners or managers, pastors, teachers, political leaders and a lot of retirees! You really have an opportunity to rub elbows with a wide diversification of the community!

What are the financial obligations of members?

These include a quarterly fee of $35 ($140 per year). A cost of $10 per meeting if you do not have the meal or $3 per meeting if you do not eat. At the meetings, the sergeant at arms hands out a few $1 fines (all in good fun) and also gives an opportunity for members to pay $1 for those things we are happy for! The quarterly fee helps the Rotary District and Rotary International to finance our local & worldwide activities. Members also receive the Rotary Magazine.

Eliminating Polio Worldwide

A number of years ago, Rotary International undertook the project of eliminating polio around the world. The Rotary community raised millions of dollars to End Polio Now and we have been successful in 99% of the countries!

Also, Rotary has a project that brings water filtration systems to under privileged people of the world. The organization is also in the front ranks whenever a natural disaster strikes.

## How is the Middleville Rotary Club organized?

Our club is comprised of elected officers: President, President Elect (next year's President), President Nominee, Treasurer, and an Assistant Treasurer, Secretary, and Board Members. All officers and the Immediate Past President are Board Members. In addition there are two board members at large. The board makes the major decisions for the club.

Would You Like To Become a Member?

We hope the information in this brochure has been helpful. We welcome new members and you can obtain an application for membership from the president or any member.

*Come join us having fun
While serving others!*
