COMMUNITY SERVICE AWARD INFORMATION

The Portage Community Service Award was established in 1992 to recognize Portage residents who best exemplify the ideals of Rotary by giving volunteer time and "Service above self" to the community. While the Portage Rotary Club appreciates valuable charitable work at the international, national, state and greater community level, this award is intended for an individual whose service primarily benefits the Portage community. The Community Service Award Committee evaluates all nominations and forwards their selection to the Portage Rotary Board of Directors for approval. The selected Recipient receives an engraved certificate at a special recognition luncheon. The Portage Rotary Club makes a \$500 donation in the honoree's name to the charity of the recipient's choice:
