

Fundraisers

Golf Outing - Golf with a Purpose

The Rotary Club of Portage Golf Outing is a fundraiser for Portage Rotary Charities, a 501(c)(3) organization dedicated to benevolent causes. Proceeds from the event support local non-profits and individuals in areas like education, health, youth, and senior services. Over the years, the golf outing has raised over \$225,000 for these causes. The event, usually held in August, offers a fun day for a great cause.

Miller Auditorium

Enjoy great shows at Miller Auditorium, a premier performing arts venue, while supporting Portage Rotary Charities. Annually, select shows from the Broadway and Spotlight series are offered at a special group rate, with \$10 from each ticket going directly to Portage Rotary Charities.

Football Mania SuperMatch

This sweepstakes works like a "squares" game, where winners receive cash prizes based on the last digits of each team's score in the pro football championship game. Committee members distribute ticket packets to club members, who can sell or share them. Each card includes an access code for downloading music from up-and-coming artists. Funds raised benefit Portage Rotary Charities.

Daisy Dollars

Our club partners with Schuring's Retail Greenhouse each spring to raise money for Portage Rotary Charities. Daisy Dollars are sold to and by club members to be redeemed for product in their store. Schuring's offers home grown flats of annuals, herbs, vegetables, specialty container gardens, hanging baskets, hardy perennials and more! Daisy Dollars are the perfect gift for birthdays, Mother's Day, teacher appreciation, and more.
