

Start here and work your way through the Safari!

A couple of reminders before you set out to find the **eight (8) WILLIAMSTON AREA** sites/buildings where the missing ROTARY DUCKS have landed. (ALL ARE LOCATED IN WILLIAMSTON OR WITHIN WILLIAMSTOWN TOWNSHIP.)

- Many but not all of the locations that you may visit in your SAFARI will have a sign, plaque or QR code sticker that will let you know if you are “hot on the trail” or not. Of course, actual confirmation occurs by physically locating the ROTARY DUCK itself.
- Participants vying for prizes must wear an Official DUCK SAFARI T-shirts in pictures/videos with the “found” Rotary Duck at each site. All pictures/videos must be posted to Fox47 News by midnight on August 14, 2020.
