Dear Steve,

Last week **would have been** the 49th Annual Red Cedar Jubilee. Last Saturday **would have been** the 23<sup>rd</sup> annual Rotary Duck Race. Would have been... could NOT have been... not this year, anyway.

Last weekend **should have been** the culmination of Rotary's sponsorship fundraising effort that accounts for over 25% of the funds it donates to meet our Community needs. Should have been... could NOT have been... not this year, anyway.

What we do need, however, is a Community stressbuster! With that in mind, Williamston Sunrise Rotary is proud to announce the 2020 Duck Safari. It will run from August 1-14 with awards announced on August 15. The awards for the FUNraiser are gift certificates, purchased by Rotarians from local businesses.

This is **not** a fundraiser. It is a FUNraiser that is designed to get people out in the Community safely - with all the necessary precautions being adhered to. Participants will have fun learning about the history of our Community. Please note that we are NOT requesting funds or donations from Sponsors.

Duck **Safari** details are attached including **Safari** Game Rules and the Duck Bill Registration form. Please share this with your staff/employees/associates and help us get the word out. We will make every effort to recognize your business as a historic Rotary Sponsor and to encourage participants in the Duck **Safari** to recognize what you have done in the past and continue to do today in support of the Community.

You are a valued member of this Community, and we look forward to continuing our relationship as we work through these "troubled times." We WILL come out on the other side together.
