

## Williamston Sunrise Rotary Community Service Grant Application

Name of Organization Williamston Elementary PTSA	
Address Williamston Elementary PTSA	
Contact Name Robin Steele	Telephone 517-376-0162
E-mail Address grsteele@tds.net	
Grant Amount Requested 600.00	
Please provide a brief description of your organization's purpose. We provide approximately 850 students with enrichment opportunities, such as, a trip to the Wharton Center as well as provide classroom equipment and supplies. We also provide books for the elementary library and sports equipment for the playground. This year we would like to supply the playground with two picnic tables.	
Describe the specific project or program that the grant will be used for. Be specific to the overall impact this activity will have on the community or the people involved. Last summer the PTSA built a shade structure for the elementary playground. This year we would like to provide picnic tables and benches for the structure and the playground. The children use this structure for classroom activities and during recess times. During the summer the structure and playground is used by children and families during baseball and softball seasons. It provides a shaded area for people to enjoy a lunch or host a party. Picnic tables are approximately \$600.00 each. Hopefully with the cooperation of local businesses and PTSA we can provide two (2) tables this Spring. There are no tables or benches at this time.	
Please provide any other information you feel is appropriate Any donations that are made by organizations/businesses will be listed on a plaque and displayed in the shade structure area.	
Please remit application to: Rick Delaney 4244 Redbud Trail Williamston, MI 48895 DelaneyR@pensiontrend.com
