## Important Announcement

Dear Club Officer,

Clubs around the world have asked for a less complicated way of paying their dues, and so I am very pleased to announce that beginning 1 January 2015 semiannual invoices will be much easier to pay.

In January, you will receive a simple invoice that clearly states the amount due. This straightforward invoice will replace the complex eight-page Semiannual Report. You will no longer need to recalculate your invoice or make adjustments to the semiannual invoice. Dues amounts on semiannual invoices will be calculated based on the membership number filed by your club secretary – online or via email or mail – by 1 January and 1 July of each year.

You will find detailed information on our website at [Rotary.org/clubinvoice](http://Rotary.org/clubinvoice). Also, you may email any questions, comments and concerns to [clubinvoice@rotary.org](mailto:clubinvoice@rotary.org). We want to hear from you.

Starting in January, let's all be sure to take the time saved on paying dues and invest it in the fun and rewarding experiences we all enjoy as Rotary members and in inviting others to join our dynamic Rotary organization.

Thank you,

A handwritten signature in black ink, appearing to be "Gary C.K. Huang".

President, Rotary International 2014-15

# Rotary SEMIANNUAL REPORT (SAR) INSTRUCTIONS

Follow three steps to complete your club's semiannual report (SAR).

## STEP 1 – UPDATE MEMBERSHIP

Review your club's membership list. RI Bylaws require confirmation of your membership information even if there have been no changes to your list. Update online\* (preferred method) or by paper copy. Add/update club's permanent email address, if available.

\*Clubs using a software provider that participates in *OneRotary Member Data Integration Services* initiative should update their local online system and then follow the online e-mail reporting instructions below.

### ONLINE (PREFERRED METHOD)

#### Log into [www.rotary.org/myrotary](http://www.rotary.org/myrotary)

Presidents, secretaries, treasurers and executive secretaries are able to update their member list online.

Go to **Manage/Club & District Administration** to add new members, terminate members, and update member contact data.

#### Send an email to [data@rotary.org](mailto:data@rotary.org)

#### Email subject: SAR Date/ Club Name & Number

Include the SAR date and write the total number of active members and subscribers as of 30 June 2014.

RI Bylaws require verification of membership even if there are no changes to your list.

### PAPER COPY

#### Revise RI paper copy of your club's member list.

**Terminations:** Put an X through the member's name if terminated before 1 July 2014. Indicate the date and termination reason (attendance, business obligations, deceased, family obligations, health/personal, joining other club, relocation, or other reason).

**Changes:** Update address/email and member type (active/honorary). Draw a line through old data and write in the change.

**New members:** Complete a New Member Form for each new active and honorary member admitted before 1 July 2014 that is not on the list.

**Complete the SAR Worksheet (lines 1-5)** to report total club members and subscribers as of 30 June 2014.

**Magazine Subscriptions:** All active club members must subscribe to *The Rotarian* (in English) or an official regional magazine. Only subscriptions to *The Rotarian* (TR), *Rotary Down Under* (RDU), and *Revista Rotaria* (RR) are included in the SAR payment and reported on the club list provided by RI. Update the RI club list with changes or use the New Member Form for new subscribers. Clubs may request subscription to *The Rotarian* instead or in addition to their official regional magazine.

## STEP 2 – MAKE YOUR PAYMENT

Use the invoice and the SAR Worksheet to calculate the amount owed. Refer to page 1 of your invoice for instructions on where to submit your payment and acceptable payment methods. Payment is due to Rotary on 1 July 2014. Club president, secretary, executive secretary, or treasurer may pay online by credit card using My Rotary. Please note: any satellite club members are billed on their sponsor club's SAR. The sponsor club is responsible for collecting and remitting these dues back to Rotary.

## STEP 3 – SEND YOUR DOCUMENTATION

If you followed the online instructions (updated membership and emailed data), your work is done. Membership adjustments are done only if RI receives an email or a SAR packet. For paper copies, send the following items to the address on the front page of your SAR or email scanned SAR paperwork to [data@rotary.org](mailto:data@rotary.org):

1. SAR Worksheet – Required
2. Updated Member List – Required
3. New Member Forms – Send if you have new members or other data changes.

Questions? Email [data@rotary.org](mailto:data@rotary.org) or your Rotary international office [www.rotary.org/io](http://www.rotary.org/io).

Contact Rotary staff listed on your invoice or Finance at [www.rotary.org/myrotary/en/contact/representatives](http://www.rotary.org/myrotary/en/contact/representatives) for payment questions.
