What is Rotary?

Rotary International is the world's first service club organization, with more than 1.2 million members in 33,000 clubs worldwide. Rotary club members are volunteers who work locally, regionally, and internationally to combat hunger, improve health and sanitation, provide education and job training, promote peace, and eradicate polio under the motto Service Above Self.

Rotary is a global network of community volunteers. Rotary members are business and professional leaders who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world.
