District 6360

### Attending a Rotary International Convention is a life-changing experience!

Trouble is, many are held in faraway lands, making attendance time consuming and costly.

This year is different! This year the convention is in Atlanta and we're making it affordable and fun for the Rotarians of District 6360.

- It is a great opportunity to meet and exchange ideas with Rotarians from around the world.
- You will make new friends and build lasting relationships.
- You will see and hear world-class speakers.
- You will be moved as you hear first-hand accounts of the good work Rotary is doing.
- You will have more fun than you can imagine!
