James Conroy - "Exemplary Service"

Jim Conroy is our Club Hero because of his amazing energy, commitment and dedication. He is the positive constant in all of our efforts to serve the community. When volunteers are needed, he is the first one to put his hand up. He quietly leads by supporting the efforts of others and making a difference for all. Jim took on the role of the chairperson for our major fund raiser – the Duck Race - and led that project to the highest gains we have seen in several years. This is the same influence he has brought to all of our fund raising efforts. His focus on volunteering comes from his heart. He is a compassionate and giving soul. He is the epitome of the expression "Volunteers do not necessarily have the time: They have the HEART". Williamston Sunrise Rotary proudly nominates Jim Conroy as our Club Hero.

Did you know... 75% of our trash can be recycled, yet residentially only about 15% is being recycled in Michigan.

- When U.S. recycling levels reach 75% it will be the environmental and CO2 equivalent of removing 55 million cars from U.S. roads each year.
- When U.S. recycling levels reach 75% it will generate 1.5 million new jobs in the U.S. (net).

So WHERE can we recycle.....
