## Disease Prevention and Treatment Takes on New Meaning for Rotary

December is Rotary's Disease Prevention and Treatment Month. In a typical Rotary year, we use this month to reflect on our organization's work to eradicate polio and combat the scourge of HIV/AIDS, malaria, parasitic infection, and other maladies. In 2020, disease prevention and treatment has taken on new meaning for Rotary and for each of us amidst COVID-19. Our clubs have embarked on new service projects to slow the spread of the present pandemic and support the healthcare workers and first responders working tirelessly to treat our friends and neighbors that have been infected by the novel coronavirus. Rotarians and clubs across District 6360 have stepped up in a big way these last nine months and our communities and state are better for it. Remarkably, at the same time, many of our clubs continue their pre-pandemic service projects in addition to these COVID-19 efforts.

Of course, club projects aren't the only way Rotarians are responding to COVID-19. Perhaps the most important thing that any of us can do in this moment of adversity is to take responsibility for how our personal choices contribute to the rate at which the virus spreads. When Rotary works around the world on polio eradication, one of our greatest challenges is persuading people to heed the advice of medical experts. It's no easy task! It's much the same with COVID-19 in our own communities. By practicing safe social distancing or meeting virtually, by wearing a mask, and by washing our hands frequently, we're both doing our part to keep ourselves and our families safe, and modeling evidence-based public health measures for others to follow. As leaders in our communities, that example matters.

In a more "normal" time, December would also mean holiday gatherings with family for many of us. But, here again, the exigencies of living in a time of pandemic disease call on each of us to postpone those cherished gatherings (or take them virtual) to slow the spread of COVID-19. It's hard, to be sure, but sacrifices made this year, and a vaccine on the horizon, will help ensure that our clubs are meeting in person and we're back to those family meals just as soon as possible.

As 2020 draws to a close, I want to thank each and every Rotarian in District 6360 for the myriad of ways in which you've risen to the challenges of the last year and wish you and your families happy holidays and a joyous new year.

Stay safe, Rotarians.

In Rotary Service,  
**Nathan Triplett**, District Governor 2020-2021

## 2020 Annual Raffle Winners & 100 Percent Raffle Sales Clubs Announced

We can all agree that 2020 has been a challenging Rotary year on virtually every level. And the District 6360 Foundation Annual Raffle was no exception. But Board Trustee and Annual Raffle Chair, Stephen B. Harsh from the Haslett/Okemos Club, was determined that the Annual Raffle would happen as it had for many years. Under Steve's leadership, Board Trustees and Club representatives across the District drove great participation in their Clubs and the 2020 Raffle was even more successful than in previous years!

Do you know that each Club receives Foundation Youth Credits (20% of the ticket price - currently \$5 per ticket) for each ticket sold? The Club has one year to use the funds and is based on the Rotary fiscal year. Most Clubs use the funds to send one or more high school students to RYLA (Rotary Youth Leadership Academy). To receive reimbursement, the expenditure for RYLA (or other approved Youth projects) must be documented. Any unused funds revert to the District 6360 Foundation as unrestricted funds.

The Annual Raffle also provides the money for Clubs to apply for one matching grant award of up to \$5,000 each year. Has your Club applied for one yet? And last but not least, each year fourteen lucky winners split \$5,000 in cash prizes. Here are our 2020 Raffle Winners and the Clubs who sold 100% of the tickets they were allocated.

[Next Page »](#)

### 2020 RAFFLE WINNERS

\$1000	Ticket #0363	Jason Zeller	Eaton Rapids Club
\$750	Ticket #0288	Terri Bourdo	Delton Area Club

**ROTARY PEACE  
FELLOWSHIP**

## *Endowing Peace...* **One Scholar at a Time**

When **Bill Dimond** signed up to serve in Korea as a young man, he had never heard of Rotary International, let alone comprehend the organization's impact all over the world.

What Bill did learn through his experience in Korea...which he carries in life, is the gift of peace and achieving it through conflict resolution rather than war.

Fast forward four decades; Bill Dimond joined Rotary with the Kalamazoo Sunrise Club. An active leader in his club and District 6360, Bill was named District Governor in 1990-2000. He shared that serving as district governor "took him places and showed him things he never thought he would experience." During this time, the Rotary Peace Scholars Program became one of Bill's passions.

Bill fondly recalls two of the Peace Fellows sponsored by District 6360. Brian was sponsored in 2003 by the Kalamazoo Sunrise Club and Joe in 2008 by St. Joseph/Benton Harbor. It was during this time that Bill chose to contribute annually to the program. Over time, his contributions reached a level where The Rotary Foundation formally established the William Dimond Endowed Fund to support the Peace Scholars Program.

To learn more about Rotary Peace Fellows view [this video](#).

Since the program began in 2002, more than 1,200 peace fellows have received fully funded scholarships to study at one of six peace centers at universities around the world. Rotarians in District 6360 share our pride in being a Peace Building District which means our district financially supports Rotary's Peace Centers.

We thank all Rotarians who have already endowed funds through The Rotary Foundation to benefit District 6360. To learn more about endowed funds please read the "Endowment Naming Opportunities" Fact Sheet attached to the Newsletter distribution email. Questions? Contact Ingrid Nova at [Rotary6360@gmail.com](mailto:Rotary6360@gmail.com).

Recently, the District 6360 Rotary Foundation Committee published a list of **Paul Harris Society Members**. The Paul Harris Society recognizes members and friends who contribute \$1,000 or more each Rotary year to the Annual Fund, PolioPlus Fund or approved Foundation

grants. We regretfully missed identifying several members of the Paul Harris Society. We are in the process of working with Rotary International to ensure accuracy. We will publish those people we missed in an upcoming District newsletter. ***Thank you for your understanding!***

## Marshall Rotary Club Provides Support for Eastend Studio & Gallery

The Marshall Rotary Foundation and Rotary District 6360 continue to show their support for Eastend Studio & Gallery's renovation. Since 2012, the Rotary Foundation and District 6360 have donated nearly \$50,000 toward the various projects that have gone into renovating the building, including for architectural plans, roof, plaster, furnaces, and kiln.

Most recently, as part of the final push for the opening of the third-floor ballroom, the Marshall Rotary Foundation made a \$20,000 donation for the elevator installation, and District 6360 provided an additional \$3000. Beyond the financial support, Rotarians have provided countless volunteer hours of volunteer labor to complete the restoration. Eastend's Executive Director Jennifer Conley Darling says, "Eastend has been so fortunate to have the support from the Marshall Rotary Club during this critical period in our completion of the building and ballroom. Rotarians Jay Larson and Jeff Greene, in particular, in addition to the generous donations, have helped make this possible."

*Pictured above, left to right are Marshall Rotary Club President Jack Reed, Marshall Rotary Foundation President Jeff Greene, Executive Director of Eastend Jennifer Conley Darling, Incoming Marshall Rotary Club President elect Paul Davis and Marshall Rotary Foundation Treasurer Barb Gray.*

## Marshall Rotary Member Spotlight: Ron Ducheney

### ***When and why did you join Rotary?***

"I joined Rotary in November 1995. I wanted an organization that serves our citizens and community through fundraising and community projects! Our motto "Service Above Self" reflects our goals to serve beyond our own needs."

### ***What is your favorite memory with Rotary?***

"My favorite memory of Rotary was in 2004-2005 when I was President of the club. Our members organized an international project for Kobrin, Belarus. Our members raised over \$22,000 and this amount was matched by Rotary International to purchase and install 20 computers and printers for 2 classrooms in Kobrin! Three members of our club, Jay Larson, Peggy Day and myself along with my wife traveled to Belarus for the ribbon cutting ceremony and ribbon cutting! This project was the highlight of my membership!"

### ***What is your role in Rotary?***

"My role in Rotary now is club treasurer. During my 25 year membership I have held the position of President and Treasurer! I received the Rotarian of the Year in 1996, Rotary Hero award and multiple Paul Harris Fellow awards!

## Benton Harbor Sunrise Rotary Club Donates Thanksgiving Baskets

The Benton Harbor Sunrise Rotary Club donated Thanksgiving Day Baskets again this year. Each basket had a handmade liner, a thawed Turkey, all the fixings for Thanksgiving, plus extra food. Club member Farai summed it up at a recent meeting, "We have the best Rotary Club."

Attached is a photo from the basket assembly. The Club gave 21 baskets to the needy this year. "As we express our gratitude, we must never forget that the highest appreciation is not to utter words but to live by them." *John F. Kennedy*

## East Lansing Rotary Club Helps Out at Thanksgiving

East Lansing Public Schools provided more than 500 bags of food to some students' families for Thanksgiving after Superintendent Dori Leyko put out a call for district families to help. Leyko called the response "tremendous." She sent out a request to ELPS families on Nov. 13, and within 24 hours, 110 families had signed up to provide five bags of food each — a total of 550 bags.

The 550 bags of food will help families who rely on ELPS food distribution make it through Thanksgiving week. When schools closed in March due to the pandemic, the district began distributing food to make sure families — particularly those that had relied on the free and reduced lunch program — continued to receive meals. The program permits schools to purchase food and receive a reimbursement from the federal government.

The **Rotary Club of East Lansing** and the E. Lansing Kiwanis Club helped deliver the bags. The two organizations have been reliable volunteers throughout the pandemic and have partnered with other local groups to create weekend kits of food that they also distribute.

Other families in the district will also receive Thanksgiving food baskets as part of a separate effort.

## Meals on Wheels gets Grant Boost from St. Joseph-Benton Harbor Rotary Club

At a time when their services may be more important than ever before, Senior Nutrition Services and their operation of Meals on Wheels of Southwest Michigan have gotten a monetary boost from the **Rotary Club of St. Joseph-Benton Harbor** through the **Rotary District 6360 Foundation**.

In response to the COVID-19 pandemic, the Rotary International Foundation allocated grant funding for distribution through Rotary District Foundations. As a result, the Rotary Club of St. Joseph-Benton Harbor applied for and was awarded \$3,750 in funding for Senior Nutrition Services/Meals on Wheels.

Club President Matt Hanley says “Our club takes pride in caring for the people in our community. Supporting Senior Nutrition Services/Meals on Wheels of Southwest Michigan over the years has made a real impact for seniors in our area. We are thankful that the Rotary International Foundation, through the Rotary District 6360 Foundation, made available these Disaster Relief funds to support such an important local organization.”

Senior Nutrition Services/Meals on Wheels of Southwest Michigan have provided meals and more to local seniors for more than 30 years, dating back to 1988. With the COVID-19 pandemic, the organization has experienced a tsunami of need and new requests. Prior to COVID, they normally would deliver 300 meals in a day. In the early weeks of the pandemic, they experienced a 66-percent increase. That equates to roughly 200 new meal recipients at a cost of \$22,000 per month, at a minimum. In Southwest Michigan, the organization is one of the very few home-bound meal programs that continues to deliver at pre-pandemic rates. and volunteers continue to deliver meals and provide a small bit of normalcy for the seniors who have come to depend on them, not only for a nutritious meal but also for the daily check-in.

## Jackson Polio Busters

The **two Jackson Rotary Clubs** formed a go-fund-me page called the **Jackson Polio Busters** to raise funds to celebrate World Polio Day. Information requesting donations were posted on the Breakfast Clubs Facebook page. The fund raiser was headed up by Mike Tackett, a Breakfast Club member and a polio survivor. The fund raiser was set up in early October and ended formally on November 7. All contributions received went directly to the Rotary International's Polio Plus account.

As of November 7, donations from club members and friends of Rotary plus a generous donation from the Rotary Foundation of Jackson County totaled \$3,675 toward a goal of \$3,500. With the match from the Bill Gates Foundation that total will grow to \$7,350. ***We want to thank all you contributed to this very worthy cause.***

## Harbor Country Rotary Club Civility Project Success

Our current time period is one of polarization and divisiveness. It is from this context that the idea for the Civility Project signs emerged. Our aim was to reduce the temperature of the discourse from disdain to civil dialogue. We hope that if we learn to listen to each other, we can find common ground that will help our country move forward. Our club decided to act and help remind ourselves, and our fellow citizens, that we are better than this, that we

need to act better than this. So, we designed yard signs on-line and ordered about 75 with the simple message: Choose to Be: Respectful, Civil, Kind and have distributed them around Harbor Country. (We can facilitate the ordering of the signs if other clubs are interested).

In the Rotary Four Way Test, which is our guiding Mission, we ask: Is it the Truth? Is it Fair to all concerned? Will it build Goodwill and Better Friendships? Will it be Beneficial to all? These signs, inviting us, to be kind, respectful and civil certainly help build better friendships and goodwill; might be beneficial to all; are fair, in the sense that the signs are not really political, instead they are appeals to public comity; and might help us all see the truth more clearly once the smoke of angry denunciations have cleared away. In all these ways, this simple project is in resonance with the Mission of Rotary and we hope will benefit the public exchange of ideas around Harbor Country.

The response so far has been heartening. Bikers have stopped and applauded, as well as pedestrians and motorists. Several business owners have asked for signs for their locations. We are thrilled. This Civility Project is not meant to be political. Instead, it is focused on tempering the discourse between all citizens so that we can productively interact with each other for the common good.

## Marshall Rotary Club

### Works to Keep Kids Warm

The Marshall Rotary Club has partnered with Operation Warm to provide 42 new coats to Marshall area children. The Rotary Club had a "Cookies for Coats" fundraiser in October to raise funds for the purchase of coats. The Rotarians have coordinated with Marshall Area Community Services (MACS) to distribute the coats. Coats were delivered to MACS Director, Harriet Carroll just in time for the cold weather in November. Pictured from left to right, President Jack Reed, MACS Director, Harriet Carroll and Rotarian Barb Gray. Great job, everyone!

# Membership MeetUps Scheduled

PAGE 10

## Membership is Priority #1!

The challenge is on. Our goal is before us: increase our membership by 10%, from 2,226 to 2,448!!

### Membership MeetUps – Join Leaders, Exchange Ideas, Take Action!

- It's a sharing session for what works, what doesn't work, and support with resources.
- For all club membership chairs, public image chairs, club board members
- Together we learn as we share!

**Topics – All things Membership:** New member attraction, Orientation, Member Engagement, Retention. December Topic: Rotary Membership Success, a panel discussion featuring Harbor Country and Saugatuck-Douglas Rotary Clubs!

January Topic: Attracting Young Professionals

Membership MeetUps will be the first Wednesday of each month: **December 2, January 6, February 3, March 3, April 7, May 5, and June 2.** Registration for each month's MeetUp will be required through DACdb Calendar. Zoom meeting information will be sent in the registration confirmation.

We must Grow Rotary for a better world. Rotary's structure is perfect to mobilize people to get the job done. And with the structure of districts, zones, and Rotary International clubs can get the support needed.

The world needs Rotary: promoting peace and conflict resolution, fighting disease, providing clean water, providing material and children health, supporting basic education and literacy, growing local economies, and now our newest area of focus -- protecting our environment. There is a lot of work to do especially during this pandemic!!

## Toastmasters & Rotary Team Up!

Get behind the collaboration to establish fellowship and potentially strengthen your club while diversifying your membership.

**What:** Rotary/Toastmasters learning program for speaking and leadership

**Who:** Toastmaster lead – Rotarians participate

**Where:** Online at first with hopes to be in person

**When:** Starting January 2021

**How:** Class will be limited to ten Rotarians

**Cost:** Free!

### 8 Course Topics

*Toastmasters is developing the following eight courses for Rotary, all with projects that are similar to those in Toastmasters Pathways*

Develop a Speech  
Deliver a Speech  
The Inspirational Speech  
Interpersonal Communication and Networking  
Leadership Basics  
Leading a Team  
Collaboration  
Inclusive Leadership

For more information on this program contact District Governor Elect, Rita LaMoreaux at [ritalamoreaux@gmail.com](mailto:ritalamoreaux@gmail.com) or 517-974-5523.

## Williamston Sunrise Rotary Club Helps with Accessible Restroom

**Williamston Sunrise Rotary (WSR)** and the WSR Foundation helped provide an accessible bathroom for the weekly Open Table dinners hosted by Williamston United Methodist Church. The Open Table dinners are provided to anyone at no cost. The dinners have been held for ten years in the community room on the lower level of the church. But a constant problem has been the restroom facilities, which were not barrier free or handicap accessible.

When the UMC decided to renovate the 19th century church, a separate decision was made to remodel the Open Table bathroom, and make it accessible to those who use walkers and wheelchairs. "This bathroom is possible thanks to the generosity of the Williamston Sunrise Rotary Foundation, the individual donations of many WSR club members and many local community members," said Pastor Linda Stephan.

*Above: Williamston Rotarians celebrate the opening of the new barrier free/accessible restroom in the Open Table Community Room at Williamston UMC. From left to right: **Wanda Bloomquist, Merlin Hopkins, Laska Creagh, Raj Wiener, Earl Wolf and Todd Carlisle.***

## Interact Clubs Work Together to Help Dominican Republic Families

The Interact4DR initiative, which raised nearly \$40K for education and housing in the DR, recently distributed food to families in Batay 106, La Romana, Dominican Republic. We are in the process of securing virtual education and will keep everyone posted on those efforts, but in the interim, wanted to share the good works Interact Clubs are doing in Rotary District 6360. Sponsors of Interact Club are the Rotary Club of Lakeshore and Rotary Club of St. Joseph-Benton Harbor representing the Interact Clubs of Bridgman High School, Lake Michigan Catholic High School, Lake Michigan Catholic Middle School, St. Joseph High School and Upton Middle School. Wow, amazing work!

# Donation Matching Program Still Available!!

Once again this year, you will have the opportunity to have your donations to The Rotary Foundation's Annual Fund multiplied. As started on **September 1, 2020**, donations to The Rotary Foundation's Annual Fund will be matched using Foundation Recognition Points donated by some very generous Rotarians in our District.

Rotarians can use this opportunity to receive additional Foundation Recognition Points to more quickly reach higher recognition levels. This matching program will continue until **May 31, 2021**, or until our pool of Foundation Recognition Points is exhausted.

Here are some details on how this works:

- Our District will match your contribution to TRF's Annual Fund on a one-to-one basis. You will receive Foundation Recognition Points equal to the amount of your contribution to the Annual Fund, up to a maximum of 500 points.
- To qualify for the match, your donation must be made between September 1, 2020 and May 31, 2021 (or until the pool of available points is exhausted).
- Please send proof of your donation by email or mail to our District's Fundraising Subcommittee Chair:

**Teresa Brandell**

323 Elmshaven Drive

Lansing, MI 48917

Email: [Teresa.M.Brandell@gmail.com](mailto:Teresa.M.Brandell@gmail.com)

Phone: 517-242-0125

- Note that the match will apply ONLY to contributions to TRF's Annual Fund.

Our Rotary Foundation is facing unprecedented demand on funds this year. Requests for grants are extremely high, both locally and internationally. There is much need, and our continued support of TRF's Annual Fund will help insure that we are able to help as much as possible.

Remember that contributions to The Annual Fund are used for projects – both locally here in our own communities, and around the world. This is the engine that helps Rotarians fulfill our credo of “Service Above Self.”

***Remember: The Rotary Foundation is our Number One charity as Rotarians!  
It's the way we do good in the world!***

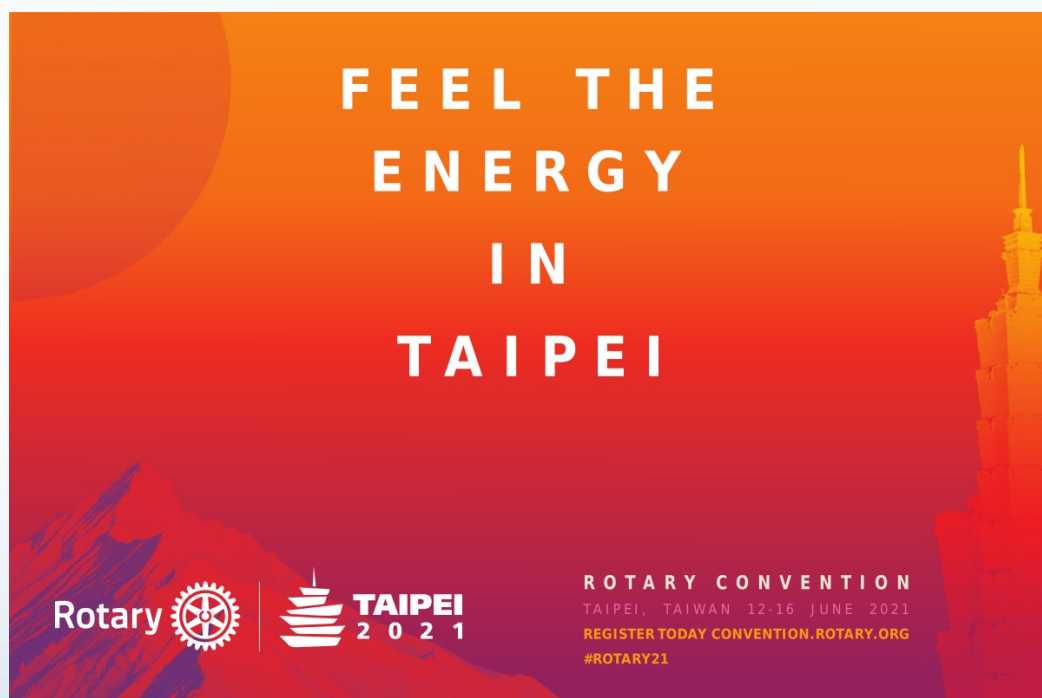

**The 2021 Rotary International Convention will be in**  
**Taipei, Taiwan!!** And NOW with a Virtual option!

**June 12-16, 2021 at the**  
**Taipei Nangang Exhibition Center (TaiNEX)**

**View the Taipei 2021 Convention Promotional Video [HERE](#)**

The friendly city Taipei invites you to the Rotary International Convention from June 12 to 16, 2021.

The Convention is the perfect place to discover new opportunities for service and friendship. We are from the 12 Hosting Districts in Taiwan with around 35,000 Rotarians, anxious to show you our hospitality and warmest welcome.

The charm of Taipei lies in its vibrant spirit, enthusiasm, diversified culture, culinary delights and much more. The innovation and ongoing developments in Taiwan have also attracted people from all over the world.

*Join us at the Rotary Convention in 2021,  
 and **Feel the Energy in Taipei!***

**Register for the Rotary International  
 Convention [HERE!!](#)**

## Congratulations to Last Month's Winner!

**Darlene Heemstra** of the **Harbor Country Rotary Club** won last month's prize drawing—***Congratulations!*** Last month the phone was hidden on page 2 in the balloon! Where could it be this month?? Every month I will ask you to find the Rotary phone hidden somewhere in the newsletter.... It will look like the one below (that's not the one hidden!), but it may be any size or color!!

If and when you find it, email or call to tell me where you found it and you will be entered into that month's drawing for a "wonderful prize!!" Have fun and happy hunting!!
