Finding Inspiration and Getting to Work

Especially in these extraordinary times, amidst unprecedented challenges for our organization, our communities, and our world, it is important to take time to celebrate milestones. In recent weeks, the Rotary family experienced two such milestones of particular note: the nomination of our organization's first [woman Rotary International President](#) and the certification of the continent of [Africa as polio free](#).

In recent years, Rotary has rightly emphasized ensuring that our membership reflects the diversity of our communities and prioritizing inclusion in the work of our clubs, the district, and Rotary International. The RI Board of Directors recently voted to create a Diversity, Equity, and Inclusion Task Force to put forth a plan for meaningful action that creates measurable, lasting change throughout Rotary. In addition, a stubborn glass ceiling was shattered last month when the Nominating Committee selected Jennifer Jones, a member of the Rotary Club of Windsor-Roseland, Ontario, Canada, to become Rotary International's president for 2022-2023. She will be the first woman to hold that office in our organization's 115-year history. Jennifer is a long-time friend of District 6360 and a superb choice. I hope that Jones' selection will inspire us all to redouble efforts to recruit and retain a diverse membership and prompt other Rotarians—especially women—to step into leadership roles in our organization.

On August 25, after four years without a single case of wild polio, the 47 countries in the African region were certified free of wild poliovirus. The magnitude of this accomplishment cannot be overstated and it would not have been possible without the work of Rotary over the course of the last 35 years. You can learn more about polio eradication in the African region here: www.africakicksoutwildpolio.com. Of course, our work to end polio is yet unfinished. Polio remains endemic in both Afghanistan and Pakistan and we can't afford to rest on our laurels. Take a moment to make a contribution to PolioPlus marking this milestone. Register for the virtual "[Polio Eradication in 2020](#)" event scheduled for **October 6**. Plan a community event for World Polio Day on October 24. Get informed at www.endpolio.org. Together, we can keep Rotary's promise to the children of the world, drop to zero, and end polio for good.

It's easy to get discouraged these days. Who among us hasn't had enough Zoom to last a lifetime? Who doesn't miss gathering together in-person to share a meal or catch a film with family and friends? Who wouldn't prefer shopping unmasked? Yes, there are undoubtedly reasons to be discouraged. But, as the two stories above demonstrate, there is also success to be celebrated and inspiration in abundance to be found.

Rotary is helping me choose inspiration over discouragement. I hope it does the same for you. Together, we can celebrate these milestones and then get back to doing the daily work of bringing **Service Above Self** alive across the globe, in our communities, and in ourselves.

In Rotary Service,

Nathan Triplett, District Governor 2020-2021

Nominations Now Accepted for District Governor Nominee (Rotary Year 2023-2024)

Nominations are now being accepted from clubs of people interested in and willing to

As many of you know, October 24, 2020 is **National Polio Eradication Day**. So, we have planned a special pre-Polio eradication event on **October 6th**. This program will feature three of the top members of the Polio Eradication committee to discuss the PolioPlus program. We are encouraging all clubs to make this your club meeting for the week. This program will be especially relevant.

Also, if you have been in Rotary for five years or less. Please consider putting this on your calendar for next month.

This started out as a program for my club and then we thought it should be open to the entire District 6360. Now it has grown and is being hosted by District 6400 and will include all 21 Districts in Zone 28 and may be live streamed on YouTube.

Let us see if we can get at least half the Rotarians in District 6360 to join this event. To register for the event click [HERE](#) and on October 5th click on the red

Polio 2020. You must register for the event so they can send you the link to join the Zoom meeting on October 6, 2020. If you have any questions regarding this event, please feel free to contact me.

Yours in Rotary, PDG Ed Foster C: 517-230-7998, ed@fosterdvm.com

Jennifer Jones, Nominated as First Woman RI President

Jennifer E. Jones, a member of the **Rotary Club of Windsor-Roseland, Ontario, Canada**, has been nominated to become Rotary International's president for 2022-23, a groundbreaking selection that will make her the first woman to hold that office in the organization's 115-year history. Jones will officially become president-nominee on 1 October if no other candidates challenge her.

Jones says she sees Rotary's Action Plan as a catalyst for increasing Rotary's impact. "As we reflect upon our new strategic priorities, we could have never envisioned that our ability to adapt would become our North Star during what is inarguably the most profound time in recent history," Jones said in her vision statement. "Silver linings rise out of the most challenging circumstances. Using metric-driven goals, I will harness this historic landscape to innovate, educate, and communicate opportunities that reflect today's reality." Read more [HERE](#).

Congratulations, Jennifer!

Donation Matching Program Begins September 1

Once again this year, you will have the opportunity to have your donations to The Rotary Foundation's Annual Fund multiplied. Beginning **September 1, 2020**, donations to The Rotary Foundation's Annual Fund will be matched using Foundation Recognition Points donated by some very generous Rotarians in our District.

Rotarians can use this opportunity to receive additional Foundation Recognition Points to more quickly reach higher recognition levels. This matching program will continue until **May 31, 2021**, or until our pool of Foundation Recognition Points is exhausted.

Here are some details on how this works:

- Our District will match your contribution to TRF's Annual Fund on a one-to-one basis. You will receive Foundation Recognition Points equal to the amount of your contribution to the Annual Fund, up to a maximum of 500 points.
- To qualify for the match, your donation must be made between September 1, 2020 and May 31, 2021 (or until the pool of available points is exhausted).
- Please send proof of your donation by email or mail to our District's Fundraising Subcommittee Chair:

Teresa Brandell

323 Elmshaven Drive

Lansing, MI 48917

Email: Teresa.M.Brandell@gmail.com

Phone: 517-242-0125

- Note that the match will apply ONLY to contributions to TRF's Annual Fund.

Our Rotary Foundation is facing unprecedented demand on funds this year. Requests for grants are extremely high, both locally and internationally. There is much need, and our continued support of TRF's Annual Fund will help insure that we are able to help as much as possible.

Remember that contributions to The Annual Fund are used for projects – both locally here in our own communities, and around the world. This is the engine that helps Rotarians fulfill our credo of “Service Above Self.”

***Remember: The Rotary Foundation is our Number One charity as Rotarians!
It's the way we do good in the world!***

NOMINATIONS WANTED: **GOLDEN TROWEL AWARDS**

Do you have someone that has made a significant contribution to your club's project and is NOT a Rotarian? How about thanking them by nominating that person(s) for the

Rotary District 6360 Foundation Golden Trowel Award

Rotary Dist. 6360 Foundation annually awards up to four Golden Trowel Awards to non-Rotarian individuals or groups who have made a major contribution to a Rotary project.

- *The nominee must be a Non-Rotarian*
- *The nominee may be a person, non-profit organization, business, church, group of individuals, or government agency*
- *The nominee must have made a significant contribution to a specific Rotary sponsored project/event*

Please click [HERE](#) for the Nomination Form.

Mail or e-mail (preferred) a copy of this form by **September 12, 2020** to **Bryan Zocher**, District 6360 Foundation Trustee, 3867 Greenleaf Circle, Kalamazoo MI 49008 Email: bryan.zocher@kresa.org

→ Late applications will not be accepted ←

District Governor Visits Going On NOW!

The official District Governor visits to each of the Rotary Clubs in our District started in July! DG Nathan recently sent out the **Club Visit Schedule** to Club Presidents and has asked Clubs to confirm that the visit date works and whether the Club is meeting in person or virtually. DG Nathan will be reaching out individually to clubs as we approach your scheduled date to confirm and make necessary arrangements, whether virtual or in-person.

Is your Rotary Club conducting a socially-distant service project? DG Nathan would be very interested in lending a hand as his schedule allows. Please let us know if you have a project upcoming!

**If you have any questions regarding club visits, please contact
DG Nathan or District Administrator Ingrid Nova**

What the World Needs Now is Love... And the World Needs ROTARY!

(Burt Bacharach, 1965)

**"What the world needs now is love, sweet love
It's the only thing that there's just too little of
What the world needs now is love, sweet love,
No not just for some but for everyone."**

Living through this Pandemic and all the crises we are learning that Hope, Love, Caring, Respect, and Responsibility are important values to live by. Rotary's Core Values of Integrity, Fellowship, Leadership, Diversity, and Service are rooted in these values as well as our Four-Way Test to what we think, say, and do. (Wish the world lived by these, don't you?)

When asked why people are members of Rotary, the responses are:

To give back to my community, Passion for service, Fellowship, Community Service, Community ambassadorship, Worldwide diversity, Service and Community, Helping my community, Opportunity to learn and serve, Fellowship and caring.

So, the questions are:

"Are we engaging our membership with their passion, their reason for joining Rotary?"

"Are we engaging our membership with what the world (our communities) needs and what people need?"

"Are we connecting??"

This month we're focusing on **Membership Engagement**. During the month of September, I challenge each club to talk with each of your members and find out what each person's passion is for service. What are their skills sets? What are their hobbies? What would they like to do?

Lansing Rotary club has a Member to Member program. South Haven did Board Buddies, patterned after Saugatuck's Member Caring program. These activities connected members during this pandemic and proved valuable. What is your club doing to connect members??

Just because we're in a pandemic doesn't mean we can't. We can connect. We can serve our communities. Service and connection may look differently and takes a little more work. But we are Rotarians. We CAN! We are "People of Action!" As my mother says, "You can do anything if you put your mind to it!"

Let's stay connected!

~ iPDG Margie Haas,
District Membership Chair

Service above Self.

RECIPE OF A ROTARIAN!

1 measure of good thought.
1 measure of consideration.
1½ measures of forgiveness.
1½ measures of well-beaten faults.
2 measures of sympathy.
2½ measures of sacrifice.
2 measures of kind deeds.

Mix thoroughly. Stir in kind words for taste, and flavor with charity. Pour into all your daily life, and bake well with the heat of human kindness.

Rotary  **PEOPLE OF ACTION**

Rotarians Doing Good In Their Communities Thanks to The Rotary Foundation!

By: Kathy Gallagher, Chair, District 6360 Rotary Foundation Committee

In the August newsletter, we featured some of the projects made possible through the district designated funds through The Rotary Foundation. Let's take a look at a few more of the projects planned for 2020-2021!!

Thanks to all of the Rotarians in District 6360 who invest in and enhance their communities and citizens through your projects. Special thanks to the Rotarians who support the Rotary Foundation Annual Fund which makes grant funding available each year!

Wagner Building Energy Efficiency/ADA Compliant

The Marshall Rotary Club will complete its restoration of an historic building that houses a visual arts studio. This grant will be used to make the building completely compliant with the American with Disabilities Act, especially providing access and safety equipment (handrails /, safety rails and bathroom fixtures) on all levels of the facility.

Prairie Ridge Elementary Reading Program

The Oshtemo Rotary Club visits the local elementary school to read with the students during Reading Month (March). At the conclusion of the month, each student will receive a new book that is for them to keep. The money for this grant is used to purchase the new books.

Summer Step up Program

With this grant, the Otsego Rotary Club will introduce the Summer Step-Up to Literacy project to help prevent the summer slide with students at Otsego Public Schools. This program gets books in the hands of students during the summer months while school is not in session. This program's strategic action is to increase summer reading, maintain reading skills and abilities, and prevent the "summer slide." This has a greater impact on our lower-income families, but the reality is that the summer slide can affect any child. It is an ongoing challenge that schools face every year, and is discouraging development for our most at-risk learners.

Saugatuck-Douglas Boys & Girls Club

The Rotary Club of Saugatuck-Douglas launched an effort to bring permanent and much needed after school and summer programs to the Saugatuck public schools. One of the major components of cost to deliver after school and summer program is dedicated supplies and equipment. This grant will provide for supplies for educational, art, physical education and technology needs.

Small Business Relief Online Technology Resources

The Rotary Club of Saugatuck-Douglas will create an online learning platform for local organizations dealing with the methods, practices, and tools for customer relationship management. The online learning platform will consist of short videos, full instruction guides, and access to skilled technology consultants for the purpose of bringing all customer-facing organizations up to par with the latest technologies for customer engagement via websites and social media, e-commerce and online payments, and advertising through online media outlets.

District 6360 Pilot Speaking Program with Toastmasters International

In January of this year, Rotary International and Toastmasters International announced an alliance to bring Toastmaster speaker training to Rotarians. This alliance will enable members of Rotary to enhance their skills, broaden their network, and increase their positive impact in their community through their voice.

Toastmasters created a set of eight structured communication and leadership development courses for Rotary based on the Pathway learning model they have for their members. The program is now available for online learning through the Rotary Learning Center, learn.rotary.org.

In the last couple of months, a joint group of members from Lansing area Toastmasters and Rotary have met to develop a pilot program to bring these new teachings to Rotarians. This in-person pilot program will be lead by Toastmasters who will help Rotarians sharpen their speaking skills.

The program will kick off in January and be held twice a month. Right now we are planning on Zoom for this first cohort. The nine-week program will proceed through the Toastmaster paths of learning that has been developed for Rotarians.

Our friends at Toastmasters will lead the program, which will be limited to ten Rotarians for this first round. Rotarians will be given the chance to craft and deliver a speech to their peers while being evaluated by the Toastmaster leaders.

We hope that both the members of Toastmasters and Rotary will benefit from this program; Rotarians will gain new skills in public speaking and leadership while Toastmasters will learn how we serve our communities through service projects and following the Four Way Test.

Why is this program so important to us as Rotarians and why should you participate? As Rotarians we are encouraged to get up in front of our club each week to share with our fellow members, whether it is a Happy/Sad Dollar or if you are the featured speaker. What if we use these lessons from Toastmasters to craft our speaking time to be meaningful and powerful during that time? We can make an even greater difference in our world with our words.

For more information on this program contact **District Governor Elect, Rita LaMoreaux** at ritalamoreaux@gmail.com or 517-974-5523.

- **What:** Rotary/Toastmasters learning program for speaking and leadership
- **Who:** Toastmaster lead – Rotarians participate
- **Where:** Online at first with hopes to be in person
- **When:** Starting January 2021
- **How:** Class will be limited to ten Rotarians
- **Cost:** Free!

Marshall Rotary Restores Downtown Marshall Building

Marshall Rotarians have been working on restoring the Wagner building since 2012, volunteering thousands hours and many Marshall Rotary Foundation and District Foundation grants. This building was purchased in 2012 for \$170,000 and is currently in the final phase of renovations for its 150th anniversary. The building has recently been appraised for near two million dollars with the completion of its 1st to 3rd floor elevator and south extension.

This building is owned by Eastend Studio & Gallery which is one of the major organizations dedicated to the visual arts in Calhoun County. This huge project has made possible primarily by Marshall Rotary Club and its members, and has saved Marshall's first building to be made part of the National historic register. If you would like to see this transformation of the Wagner Building, please call 269-419-9891 or email **PDG Jay Larson** at larson0337@gmail.com and he will be happy to give you a tour of this building.

COVID Doesn't Deter South Haven Rotarians: *Virtual Pancake Breakfast Great Success!*

While the COVID pandemic has kept organizations from their normal activities in recent months it hasn't deterred **South Haven Rotarians** from remaining active in the community as evidenced by a successful virtual fundraiser this past Sunday, Aug 9.

For nearly 50 years the Rotarians had sponsored a pancake breakfast at the South Haven Airport in conjunction with the National Blueberry Festival. That wasn't possible this year because of COVID and the absence of a traditional

festival schedule. So the Rotarians decided to go it alone, safely.

The Rotarians sponsored a virtual pancake breakfast fundraiser. The event from the downtown pavilion was streamed live on Facebook with a goal of raising \$9,000 in 90 minutes. The result was hundreds of donations, mostly on-line, **totaling \$11,000**. Those who came to the pavilion to watch the production and make a donation received safely packaged Jiffy pancake mix and freshly picked blueberries from DeGrandchamp Farms of South Haven. Delicious home-cooked pancake breakfasts abounded throughout the community!

Co-chairs Rosalie Plechaty and Dan Thompson hosted the production that featured many of the organizations benefiting from Rotary contributions. The South Haven Rotarians over the past year contributed a record \$51,000 to local, regional and international non-profit organizations. ***Congratulations!***

DEVELOPING NEW ROTARY CLUBS!

Did You Know There are Many Different Types of Rotary Clubs?

Most of us are in the traditional style of Rotary club. Rotary International has expanded club models to fit diverse life styles. The District Membership Team is ready to work on starting new clubs within our district.

For more information contact your District **D.R.E.A.M.** (**D**evelop, **R**etain, **E**ngage, **A**ll **M**embers) Team. PDG Margie Haas, 269-838-3392, haasmargie@gmail.com.

Satellite Club: A Rotary club sponsored by a traditional club but with its own meetings, projects, bylaws, and board. This style appeals to those who want a club experience or meeting format or time other than what's offered by the traditional clubs in the area. Learn more at Rotary.org Guide to Satellite Clubs. Minimum number of members to charter: **8**.

District 6360 has two Satellite Clubs – Charlotte (*photo at right*) and Kalamazoo.

E-Club: A Rotary club that meets primarily online People who travel frequently, whose schedules make it difficult to meet in person, or who prefer an online experience. Learn more about online club meetings. Minimum number of members to charter: 20

WHAT IS A PASSPORT CLUB?

A passport club is a Rotary club that gives its members a more flexible club experience by:

- ▶ Offering a variety of meeting formats including Zoom, Service Projects as well as Social Events in lieu of a traditional meeting time, and venue
- ▶ Encouraging its members to visit other clubs and participate in their club activities regularly

Passport Club: A Rotary club that allows members to attend other Rotary club meetings as long as they attend a specified number of meetings in their own club each year. This style appeals to those who travel frequently, or those who enjoy trying a variety of club experiences and meeting lots of new people. Learn more in the Guide to Passport Clubs. Minimum number of members to charter: 20

Continued on next page...

Types of Rotary Clubs, *continued...*

Corporate Club: A club whose members (or most of them) work for the same employer. This style appeals to those employees of an organization who want to come together to do good in their community. Minimum number of members to charter: 20

Cause-Based Club: A club whose members are passionate about a particular cause and focus their service efforts in that area. This style appeals to those people who want to connect with others while addressing a particular set of problems. Minimum number of members to charter: 20

Alumni-based Club: A club whose members (or most of them) are former Rotary or Rotary Foundation program participants. This style appeals to those who have participated in Rotary outside of a club. Minimum number of members to charter: 20

Rotaract Club: A club of members ages 18-30 that is sponsored by a Rotary club and often works with that club on projects. This style appeals to people ages 18-30 who want to serve their communities, develop leadership and professional skills, and have fun through service. Learn more in the Rotaract Handbook.

DG Nathan Visits Marshall Rotary

Marshall Rotary President, Jack Reed welcomed Rotary District 6360 Governor, Nathan Triplett. Nathan reported on goals for District 6360:

Opportunities this year:

1. To develop new models for clubs to increase our members. Meet people where they are at creating new kinds of meetings.
2. To Schedule one planning meeting per year. To build long term plans that move forward
3. Elect members carefully. We want folks who really want to be Rotarians and participate with their skills.
4. To Continue promises to children of the world. Polio plus programs. Financial support. Clean Water Initiative. Supporting the ROTARY FOUNDATION.

The Silver lining is that we have learned and have thrived. Virtual meetings. Capable of innovation. Values as an organization allows us to uplift those in need. The District is committed to success.
