I vote for them all. Great nominees. Since I nominated Earl I'll cast my vote for **Earl** but have to agree all are heroes.

Each nominee has made wonderful contributions to our community in ways familiar and comfortable to them. I wonder if this year shouldn't recognize someone like **Adam** who made a lot of personal sacrifices, away from family, while in active service and then back to school Superintendent duties and staying connected to Rotary the whole time. A lot of courage and leadership involved here. If we already gave Adam an award this year, then I vote for **Earl** - if he's not grand marshal for a third time.

Gene,

This is a tough one . . . which means that we are blessed with multiple super-active and super-achieving members. My vote goes to **Jim Conroy**, on the basis of "Where would we be without him"?

Thanks,

Bob

We have great choices. I vote **Earl** for the years and the number of areas he has contributed.

I vote for **Earl**. He has been very helpful in many ways – providing needed graphics, working on committees as well as doing a lot for the community. I appreciate Adam's effort, but most of this effort was not tied to Rotary and I suspect he will get (should get) a Hometown Hero's award.
