

Sign Up for Community Service and Club Engagement

January 12, 2021

Over-riding question:

Which Project do you want to participate in?

Ways to Safely Socialize – Jennifer Normandin, Brian Tort and Laska Creagh

- Event Ideas
 - Jan. 18 – Participate in country wide movement to recognize COVID personnel, by working with city buildings to get them to 'light up' on that day. Link to be provided for further information. (Jim Conroy could help if he's interested.)
 - Valentine's Day – collaborate with the Garden Club to spread good feeling (Sharon's experience from last year with a bouquet left at her door.)
 - Picnics in the park – Restaurants provide food, paid for by families
 - Bird Watching with Earl
 - XC skiing with Laska
 - All ideas and plans must be approved by the WSR Safety Committee and the WSR Club Board

Food Needs – Jill Cutshaw , Chris Lewis, Bob Stephenson, Wanda Bloomquist, Trish

- What is that extension and can the fire house and WUMC (and other) approved kitchens be used to prepare food?
- Can others within Rotary then deliver?

Message Board – Earl Wolf, Narda Murphy and Laska Creagh

Signage – Merlin Hopkins, Mark Steinburg, Paul Tarr, George & Janet Eyster, Gene Klco and Adam Spina

Immediate needs:

- Succinct description of (each of these) projects
- Cost estimates
- List steps to be done to accomplish
- Merlin, Include a member from the Foundation Board as will need approval by Foundation Board
- Earl, include a member from the Foundation Board as their approval will be necessary

Vaccine Assistance –Safety Committee, Jim/Naoimi Miller, Jim Conroy, Debra Wolf

- Dr. Amanda Hart – local pharmacist
- Start exploring further - insurance issues and liability issues for driving
- Who and When vaccines can be provided
- Do we have 211 phone access here?
- Specific protocols for involvement in this project
- Must be approved by the WSR Safety Committee and Club board

Needs of Community – Sharon and Mark are Researching this idea

- What are the needs?
- What might Rotary's involvement be?
- Who might we collaborate with?
- What advisory groups would need to be involved?
