

OPERATION POLLINATION FRAMEWORK

THREE EASY STEPS

STEP ONE

Sign Pollinator Resolution.

STEP TWO

Enlist partners to sign a Pollinator Pledge.

Partners can be large or small, for profit or not-for-profit, government or non-government.

Put their names on back of Resolution.

STEP THREE

Obtain widespread media attention.

ROTARIANS AND ALL

Operation Pollination is an emerging global effort that engages you and your partners in pollinator habitat restoration, preservation and education. By joining, you and your partners will make a difference in support of the environment.

"Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has."

-Margaret Mead

Templates for a Pollinator Resolution and a Pollinator Pledge form can be found on the home page of <https://operationpollination.net>. steps 1&2.

June 20-26, 2022

"I haven't seen a monarch every day, but every day I see the people that can help them".

-Sara Dykman, book
Bicycling With Butterflies

NATIONAL POLLINATOR WEEK

The United States Senate unanimously approved the designation of a week in June as National Pollinator Week "to celebrate pollinators and spread the word about what "you can do to protect them."

Groups in the USA are encouraged to participate in National Pollinator Week. (See Website)

NATIONAL HERITAGE AREAS (NHAs)

There are 55 NHAs across the United States. Perhaps there is an NHA near you? (<https://www.nps.gov/subjects/heritageareas>)

Consider partnering with your NHA to help protect pollinators. "Working together, all ships will rise."
