Club Positions

This is a list of Club members and their position(s) in this Club. Members get added to this list by being a member of the Club (there is no add link here). Member positions within the Club can be edited from this screen, just click on the PENCIL icon.

Listing Options:

Show: ☐ Only members with Club positions?

OrgYear: 2015-16

Listing Reports: (Pop-Up blockers must be disabled)

Leadership History: [Click Here](#)

Position Summary: [Click Here](#)

Tip: Encourage your members to provide profile photos so everyone can 'see' club leaders and fellow Rotarians.

Add a New Member

1. My Club Tab --> Add New Member

2. Fill in the member's information. Note: * is required
3. If you do not already have an RI member ID, leave this blank (0) for now.
4. When finished, click the yellow "Add" button.

The image shows the 'Member Admin' interface with the 'Add NEW Member' form. The form has a header with 'Member Admin' and 'Add NEW Member' (with 'ID={new}' next to it). There are 'Cancel' and 'Add' buttons in the top right corner, with the 'Add' button circled in red. Below the header is a tabbed interface with tabs for 'Member', 'Photo', 'Contact', 'Spouse', 'Business', 'Club', 'Login', and 'Bio/Notes'. The 'Member' tab is selected. The form fields are organized into a 'Member Information' section. Fields include: 'Member ID' (with a red arrow pointing to it and a note 'If former Rotarian, get RI ID# before continuing!'), 'Member Type' (set to 'Active'), 'Prefix', 'First Name', 'Middle Name', 'Last Name', 'Suffix', 'Previous Name' (with a note 'Former Name or Maiden Name'), and 'Gender'. A 'No Photo' placeholder is shown on the right side of the form.

5. If you have RI Integration turned on RI will assign a number within a short period of time. Be sure to check Member Compare (which is discussed below) to make sure the member rolled up correctly.

Tip: A word of caution: Avoid changing the new member record until the RI ID number is in the DACdb system.

Member Compare – Officer Compare

1. My Club Tab --> RI Compare Icon

- Turning on RI Integration saves you time and keeps your District up to date with your club information and more importantly – keeps RI Current. The only thing that is not tracked here is foundation giving.
- Once you click on the RI Compare Icon, the Member Compare will automatically open. Give it a few seconds.
- Once it opens you will see two columns, the left-side column contains the information that is in RI and the right-side column contains information that is in DACdb. The goal is for these two columns to have the same information.

- If something appears in red, it means there is something that differs between the RI record and the DACdb record. Click on the “Compare” next to the member that has red next to their name and you can compare the information side by side. If you have members on the top right and nothing on the left it usually means the member did not roll up to RI. Usually the member record had an error in it when it was first entered. The other thing that might occur is there could be someone in the left column that is not in the right column. This usually occurs when someone enters a new member or terminates a member in Rotary International and does not do it in DACdb. In this case there will be a button to either add to DACdb or Terminate in RI. Keep in mind the information flows up to RI from DACdb. Make your changes in DACdb first. Information does not flow down from RI. More detailed information can be found under the Help Tab in DACdb under RI Integration.
- Club Officer Compare – Like Member Compare, this will show you the six officers that are in RI and those that are in DACdb and the goal is to have them match. The six officers RI looks for are President, Treasurer, Secretary, Club Executive Secretary, Foundation Chair, Membership Chair. In most cases the District also looks for these individuals because they have automated committees set up by role key to communicate throughout the year with these positions.
- Click on the RI Compare Button but instead of waiting until member compare opens up, click on the Club Officer Compare on the left

- It should look like this:

The Club Officer compare includes officer data from the current OrgYear forward for up to three (3) years. At this time, the valid role that are updated in RI include: Club President, Club Secretary, Club Treasurer, Club Membership Chair, Club Foundation Chair, Club Executive Secretary/Director. Other DACdb roles are not shown on this screen. Updates that you make here should be immediately effective.

Compose, Save, and Send a PMail

The quickest and easiest way to communicate with your club is through our internal email system, called Personal Mail, or PMail. Check out the complete guide to PMail in the Help/Documentation section of DACdb.

1. My Club Tab --> Pmail Icon

2. If you have the proper access you can click “Pmail all Active Members in My Club” which will be on the left side menu

3. Or you can select the “TO” on the pmail and click the Clubs icon and click the check mark next to your club name and check off the members you wish to pmail.

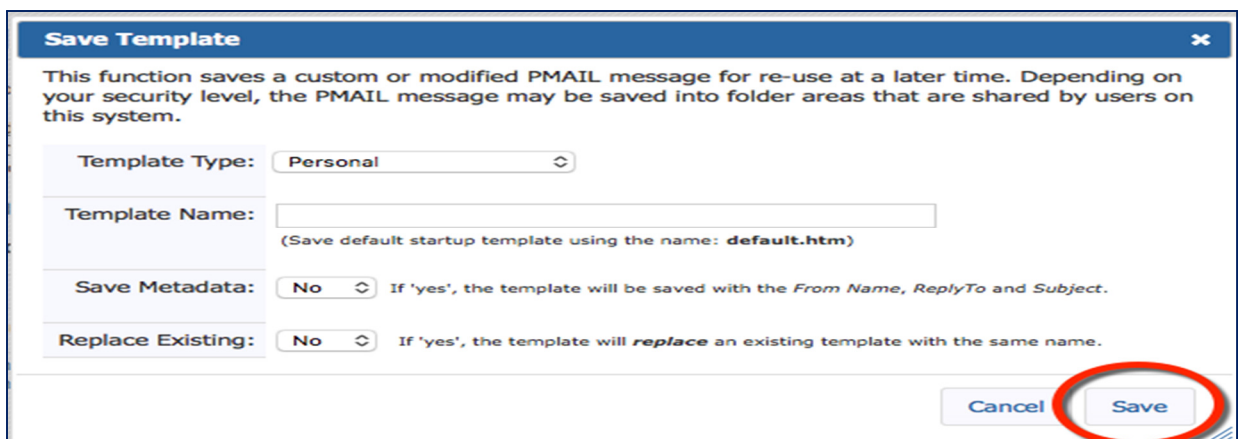

4. Type your message in the box. The default email inserts the first name of the recipient.
5. Format the colors, fonts, paragraph styles, etc. using the Editor toolbar.

6. To save your message, click the “disk” button in the upper right of the Editor. It is recommended to save your progress every few minutes as you compose the message.

7. The Save Template screen will appear. Choose to save your message in a Personal or Club folder (other officers may access). Give the message a name, and decide if this replaces a previous version. Click “Save” when finished.

8. After your message is composed and ready for delivery, click “Send”.

Personalized Mail

PMail lets you send personalized messages to members.

Change delivery time and date: Click the **Schedule Delivery** button (upper right)
 Select a group of recipients: Click the **Select Group** button (upper right)
 Change the template: Click the **Select Template** button (upper right)

8. Scroll down to the description box – type a “short” description (6)
