

# Rotary Community Service Award

The purpose of this award is to recognize the efforts of those in the community who have contributed in a single or multiple ways to the goals of the Williamston Sunrise Rotary Club. Individuals must also personify the ideals of Rotary, including the Four-way Test. Perhaps they are an unsung hero in the community.

Any member of the Williamston Sunrise Rotary Club may nominate a community member for this award between July and September each year. Nominations must be submitted to the president with a one-page *only* explanation attesting to the nominee's contribution to Rotary ideals, service, etc. The board of directors must approve the nomination. Selection is announced at the first Rotary Club meeting in October. The club purchases and presents a plaque to the honoree.

## **Previous Winners**

2001 – 02	Jo Bumbalough Zeller
