

Rotarian of the Year Nominations – 2021-22

Below are the nominations for Rotarian of the Year that I have received.

In Summary:

George & Janet Eyster – 1

Wanda Bloomquist – 2

Laska Creagh - 2

Jim Conroy – 2

Jim seems like an obvious choice, except that he has already been 'Rotarian of the Year' in 2015. Check Wanda's note at the bottom (after the last meeting that George suggested Jim).

Send me back your vote from these 4. Top vote getter wins.

I would like to nominate **Janet and George Eyster** together. They have both contributed to the club financially and been involved in every project we have had for many years, served on many committees, and bring jocularly and integrity to our work.

I nominate **Wanda Bloomquist** who has selflessly balanced her Rotarian role and her township commitments.

Gene:

This is a no brainer!!!

Jim Conroy has been the heart and soul of our Rotary. I don't care if he was awarded this before, he should be awarded "Rotarian of the Decade" not just year. We are now learning all that he has been for us.

We MUST honor him NOW.

Laska has my vote.

I would like to suggest we honor Jim in another way. Maybe we nominate him for Citizen of the Year?

Or a special event with Rotary members.

Thanks,
Wanda
