

# Rotarian of the Year Award

The purpose of this award is to recognize the efforts of a member annually who has contributed in a single or multiple ways to the goals of the Williamston Sunrise Rotary Club. Individuals must also personify the ideals of Rotary, including the Four-way Test.

Any member of the Williamston Sunrise Rotary Club may nominate a member for this award between January and March each year. Nominations must be submitted to the president or president-elect with a one-page *only* explanation attesting to the nominee's contribution to Rotary ideals, service, etc. The previous winners must approve the nomination. Selection is announced at the first Rotary Club meeting in May; recipient is presented with a certificate at the meeting. The club contributes \$100 in the honoree's name toward a Paul Harris Sustaining Fellow. The honoree is also recognized at the Jubilee dinner and participates in the Jubilee parade with other service club recipients. The club purchases and presents a plaque to the honoree at the Jubilee dinner.

## **Previous Winners**
