3	I know it's hard to estimate the number of attendees but most of the time it seems quantity is adequate. Perhaps if they could come up with one more meal to throw into the rotation?	2/26/2019 11:42 AM

Rotary Club of Northville Member Survey - February 2019

4	While I understand the diverse opinions about food as I've been both a past president and board member, I've always disagreed with eliminated Jerry's service. I have also been disappointed with the Club's lack of support to our Rotary Interact students, especially since the 2018 Fashion Show fund raiser. Our Club purports to support all kinds of worthy organizations, yet we send a negative message to our high school students when only 3 members show up to the Interact fund raiser in March and only two other members provided financial support of the event. I regret that this has soured me somewhat on Rotary.	2/26/2019 10:54 AM
5	We often run out of food. I think we could shorten the meetings how they were last year, to 60 minutes, by simply shortening many of the items and keeping things tight.	2/16/2019 9:16 AM
6	I would like to see how much extra to have servers and maybe a little higher quality lunch	2/15/2019 5:56 PM
7	Some clubs require members to rsvp for the meetings they attend so that they can adequately prepare for food. Maybe ask caterer to provide 6 menus that are repeated every 3 months and have members select the most popular choices.	2/15/2019 10:53 AM
8	We need to be very sensitive to the timing of the meetings and adjust as necessary if running late.	2/11/2019 3:54 PM
9	Compared to the Novi club, our lunches are paltry however perhaps a big meal at lunch is not healthy. It would be nice to have more variety. Not sure we are getting \$11.25 in value.	2/10/2019 5:18 PM

Rotary Club of Northville Member Survey - February 2019

1	Because of health limitations, I'm often unable to participate in service projects like I have in the past.	3/14/2019 8:52 AM
2	Quantity - there is an ebb and flow, sometimes it seems like there are several service projects too close together, but then that also allows people with different schedules and different passions to choose what works best for them, rather than everyone only having one project to join. Some projects are less accessible for those members who are working, but there are plenty of others that are on evenings/weekends. Organization is generally good but sometimes could be better.	2/26/2019 11:42 AM
3	We still have some little ones in the house so it's just tough for us to make the time but that has nothing to do with Rotary. I love the service projects.	2/26/2019 10:58 AM
4	See my comments above in the 1st section.	2/26/2019 10:54 AM
5	I like the variety & number of service projects, as long as there is not an expectation that everyone should be participating in everything.	2/23/2019 4:09 PM
6	We need more projects where we are seeing the direct impact of our efforts. Serving the homeless, Life remodeled are good examples. Cleaning mill race and some of our other projects are not very exciting or impactful. Our club needs to be known for something.	2/10/2019 5:18 PM
7	Need to continue to get more members engaged and get newer members to join committees.	2/10/2019 2:14 PM

3	Does a one time \$1000 scholarship make a difference to the overall financial commitment of a college student? What is the long term return on this financial investment? What commitment do these recipients have to Rotary?	2/15/2019 10:53 AM
4	We have a weak relationship with our Interact Club and we need to change that. We should engage them more, provide mentoring opportunities, invite them to more club events. We need their contact details. I did not understand RYLA until this year. Seems like the students really benefited. Need to stay connected with our scholarship recipients. Invite them back following year 1 at school. Keep them engaged. Not sure our Club is solidly beyond youth exchange - maybe due to Club demographics. Its a big comittment .	2/10/2019 5:18 PM

1	This group is dedicated to the Tour DeVille and Goodfellows! Large sums of \$\$ are generated by these events.	3/25/2019 4:35 PM
2	I think we should continue to do the Goodfellows drive, but I think we need to look into giving to another organization that is a legitimate 501 (c)3. Goodfellows in Detroit was established with the theme "No Kiddie Without a Christmas". I'd love to see us go back to that theme and I think it would be more meaningful for us to purchase items with the money collected instead of just writing a check. Mott Children's Hospital, for example, sets up a 'store' where parents can choose gifts for their children at no cost to them.	3/14/2019 8:52 AM
3	I'm just nervous that tour de ville registration has gone down each year.. what could we do to get the numbers back up?	2/27/2019 10:34 AM
4	I have yet to participate in the TDV but I'm really looking forward to it.	2/26/2019 10:58 AM
5	I think the challenge for this event is to continue evolving it with additional features and benefits to attract the community. Maybe something like adding a "rally" or scavenger hunt to the mix? This is not a criticism, it's just a reality of events becoming stale over time.	2/26/2019 10:54 AM
6	I always help with Goodfellows	2/15/2019 5:56 PM
7	Would like to see additional fundraising so the club can provide more philanthropy	2/15/2019 10:53 AM
8	Not enough of the club is "sold on"/engaged in TdV. This should be an entire club/all hands on deck event especially on the Day of the event. A two hour time slot is not enough. Our members should be there all day just like the committee members. TdV does not raise enough money considering the effort by the committee.	2/10/2019 5:18 PM

1	I don't think our club is especially diverse but I do think it represents the demographics of our community. I think we don't really promote Rotary in the community much at all, because few people outside of the club seem to know what Rotary is or does. The Tour de Ville is an exception but it only appeals to a certain subset of the community, not to the population in general, so even then I think the promotion is limited. I have one person in mind who may be interested in Rotary but is also active in many other groups and travels a lot, so I'm not sure it would be a good fit.	2/26/2019 11:42 AM
2	We can always work on diversity and that goes beyond our own club.	2/26/2019 10:58 AM
3	On the occasions I've tried to recruit, especially among 30, 40 age ranges, I hear a similar message. Happy to help community projects but don't want to "pay" or belong and time is so precious for family, kid's sports, worship and WORK demands.	2/26/2019 10:54 AM
4	Additional members will strengthen the club.	2/25/2019 2:25 PM
5	Bigger is better in this case. Working to getting our reputation our more effectively. Most that I have invited are waiting until their careers slow down.	2/11/2019 3:54 PM
6	We need more diversity including women, young professionals and Corporate members. There are many larger companies in the Twp that we are not leveraging. Most people still do not know what Rotary is.	2/10/2019 5:18 PM

I would like to have access to the Club Bylaws. I have never seen them and am supposed to abide by them. In other organizations to which I've belonged, the Bylaws are given to prospective members, or at least as part of the welcome packet once the members are accepted.
