As part of the effort, Rotarians contribute their time and money to the cause, raising funds, advocating for government support, serving as volunteers to help immunize children, and raising awareness in their communities. Rotary's contributions to the global polio eradication effort now exceed \$1.6 billion, including matching funds from the Gates Foundation. Hundreds of thousands of volunteers have supported National Immunization Days. Since 1988, more than 2 billion children have received oral polio vaccine, and we've achieved a 99.9 percent reduction in polio cases. It may be considered the greatest humanitarian service the world has ever seen, and every Rotarian can take pride in the achievement.

The 4 Way test – we value ethical behavior and integrity

We end each club meeting with a recitation of the 4 way Test

OF THE THINGS WE THINK, SAY OR DO:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
