## What Is Rotary?

Rotary is a global network of community volunteers.

Rotary club members are business, professional, and community leaders in Downers Grove, and surrounding communities, who meet regularly to plan and implement community service activities and network with other professionals. For those interested, members can also choose to become involved in international humanitarian service efforts. More than 1.2 million men and women in over 200 countries and geographical areas belong to over 33,000 Rotary clubs.

Rotary builds international understanding through scholarships, exchange programs, and humanitarian grants. Throughout the world, Rotary clubs participate in a broad range of educational, intercultural, and humanitarian activities designed to improve the lives of others.

## Benefits of Membership

The Rotary Club of Downers Grove provides all members the opportunity to make a contribution to our community and communities around the world.

Members join Rotary for many reasons, including community involvement, personal development, professional networking, and camaraderie with fellow members. But perhaps the most important benefit is the satisfaction gained from making a real difference in the world.

Rotary Club of Downers Grove supports the local community.
