CHARTERED 1913
CLUB NO. 76

MARCH 29TH - NO MEETING - GOOD FRIDAY
WISHING EVERYONE A SAFE & HAPPY EASTER

Last Friday, the Rotary Club of Peoria on presented nine local organizations with donations totaling ten-thousand dollars.

Rotarians were honored to present the following organizations with Community Service Grant Awards: Camp Big sky, The Center for Prevention of Abuse, Peoria's Dream Center, Family Core, Goodwill Industries, the Heart of Illinois Harvest, Look It's My Book, Peoria Grown and Junior Achievement with checks.

FOUR-WAY TEST

Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Sterling Merit Sponsorship Opportunities & Benefits

THE ROTARY CLUBS OF PEORIA, ILLINOIS

Present the 2024 Sterling Merit Awards Banquet
Tues, May 7th 2024 - 5:30-8:30 PM | Peoria Civic Center

This year's Sterling Merit Awards Banquet will be held on May 7, 2024, at the Peoria Civic Center Ballroom. The Keynote Speaker will be Nikki Romain - Co-founder for Artists ReEnvisioning Tomorrow (ART, Inc)

The annual banquet will host students and their parents from the following area schools: Brimfield, Dunlap, East Peoria, Elmwood, Farmington, Illini Bluffs, Illinois Valley, Limestone, Manual, Peoria Notre Dame, Peoria Heights, Peoria, Princeville, Quest Academy and Richwoods High Schools.

We anticipate 650 plus in attendance. We honor the top eight percent of high school graduates who have attained the highest standing in their classes. The Sterling Merit Awards Banquet gives public recognition to students who have excelled academically during their high school years.

Last year 170 students qualified for the award and 153 attended the banquet, accompanied administrators from each school and by parents and/or other family members. This is a very meaningful event for students and their families, and our club has enthusiastically co-sponsored the event for over 50 years.

Students attend the banquet free of charge. Family members are asked to pay \$20.00 which is well below cost, and this year includes free parking. For the past several years, we have offered opportunities for sponsorship to partially defray the costs of the event and to keep charges within a reasonable range for our families.

We have developed six sponsorship levels which are described below. We are asking club members to strongly consider becoming a sponsor at whatever level you see fit. In addition to your contribution to the event, if you know of an individual or a business which might be interested in becoming a sponsor, please feel free to contact them directly, or send your nomination to [Susie Stockman](#) or [Bill Albers](#).

Our hope is that our entire membership will support this request, allowing us to keep costs to families within an affordable range, and enabling every student to enjoy this important event.

Thank you in advance for your support – Sterling Merit Committee.

FOUNDATION MINUTE WATER, SANITATION & HYGIENE MONTH

This month Rotary focuses its attention on initiatives to bring clean water, sanitation, and healthy hygiene practices to communities throughout the world. For many populations, having clean, potable water is a natural part of daily life – but many live in areas where just finding water is a daily challenge. Rotary has tackled these problems for decades. What is changing is that we can no longer take water for granted; merely doing the same thing will not protect this precious resource.

Clean water and sanitation are a human right. When people, especially children, have access to clean water, sanitation, and hygiene, they lead healthier and more successful lives. We don't just build wells and walk away. Rotary members integrate water, sanitation, and hygiene into education projects. When children learn about disease transmission and practice good hygiene, they miss less school. And they can take those lessons home to their families, expanding our impact.

There are 2.5 billion people in the world that lack access to improved sanitation and 748 million people that don't have clean drinking water. Nearly 1,400 children die each day from diseases caused by lack of sanitation and unsafe water. When people have access to clean water, they live healthier and more productive lives. The Rotary Foundation seeks to empower governments, institutions, and communities to manage their water, sanitation, and hygiene services through environmentally sound, measurable, and sustainable interventions.
