Rotary Youth Leadership Awards

Four young women from local High Schools who were sponsored to go to RYLA (Rotary Youth Leadership Academy) gave their report to the Peoria membership last Friday. Katie Allen, Lauren Bailey, and Mallory Stone are all from the Illini Bluffs Interact Club, while Eva Del Pozo is a member of the Dunlap High School Club.

Del Pozo is also the granddaughter of Peoria Rotarian Marty Collier. The young women attended RYLA at Lake Williamson, a time which included packing food items for delivery overseas. About that RYLA experience, Lauren Bailey said, "We packaged food bags that went to places like Syria, Iraq, Ukraine, and we ended up making 7,200 servings to go to all these different families".

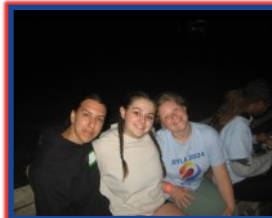

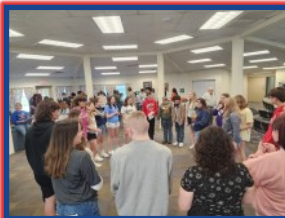

RYLA Students from Left to Right: Eva Del Pozo, Lauren Bailey, Mallory Stone & Katie Allen

There were "team building" exercises as well as simply enjoyable events - like an impromptu dance party at RYLA.

For Lauren Bailey, it was an eye-opening experience. "I have always wanted to go to another country to study, but I never thought that was an option for me as somebody in Glasford, IL."

The Illini Bluffs students meet monthly, and currently have twenty-two members. Recently they raised over \$800 by selling Beer Floats. They have adopted Ronald McDonald House as a special charity and worked there as volunteers.

FOUR-WAY TEST

Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Present the 2024 Sterling Merit Awards Banquet

Tues, May 7th 2024 - 5:30-8:30 PM | Peoria Civic Center

This year's Sterling Merit Awards Banquet will be held on May 7, 2024, at the Peoria Civic Center Ballroom. The Keynote Speaker will be Nikki Romain - Co-founder for Artists ReEnvisioning Tomorrow (ART, Inc)

The annual banquet will host students and their parents from the following area schools: Brimfield, Dunlap, East Peoria, Elmwood, Farmington, Illini Bluffs, Illinois Valley, Limestone, Manual, Peoria Notre Dame, Peoria Heights, Peoria, Princeville, Quest Academy and Richwoods High Schools.

We anticipate 650 plus in attendance. We honor the top eight percent of high school graduates who have attained the highest standing in their classes. The Sterling Merit Awards Banquet gives public recognition to students who have excelled academically during their high school years.

Last year 170 students qualified for the award and 153 attended the banquet, accompanied administrators from each school and by parents and/or other family members. This is a very meaningful event for students and their families, and our club has enthusiastically co-sponsored the event for over 50 years.

Students attend the banquet free of charge. Family members are asked to pay \$20.00 which is well below cost, and this year includes free parking. For the past several years, we have offered opportunities for sponsorship to partially defray the costs of the event and to keep charges within a reasonable range for our families.

We have developed six sponsorship levels which are described below. We are asking club members to strongly consider becoming a sponsor at whatever level you see fit. In addition to your contribution to the event, if you know of an individual or a business which might be interested in becoming a sponsor, please feel free to contact them directly, or send your nomination to [Susie Stockman](#) or [Bill Albers](#).

Our hope is that our entire membership will support this request, allowing us to keep costs to families within an affordable range, and enabling every student to enjoy this important event.

Thank you in advance for you support – Sterling Merit Committee.

Foundation Minute

Rotary Club of Peoria  **FOUNDATION MINUTE: ROTARY AND THE UNITED NATIONS**  CREATE HOPE in the WORLD

Did you know Rotary holds the highest consultative status offered to a non-governmental organization by the UN's Economic and Social Council, which oversees many specialized UN agencies? During World War II, Rotary informed and educated members about the formation of the United Nations and the importance of planning for peace.

Materials such as the booklet "From Here On!" and articles in The Rotarian helped members understand the UN before it was formally established and follow its work after its charter.

At the organization conference of the United Nations held in San Francisco in 1945, the United States delegation invited Rotary International to appoint consultants. Eleven prominent Rotarians served in this capacity with resulting influence on the humane aspects of the Charter.

**Rotary International and the UN have a long history of working together toward world understanding and peace. To learn more, I encourage you to read the following:
Rotary at the Start of the United Nations and Rotary and the United Nations.**

Rotary Day at the United Nations celebrates our shared vision for peace and highlights the critical humanitarian activities that Rotary and the UN lead around the world. Each year, they hold "Rotary Day" UNESCO. With the theme Connecting for Good, this year's event will focus on community-based solutions to the global refugee crisis.

They will honor six members of the Rotary family as Rotary People of Action: Connectors Beyond Borders and see how their inspiring work has addressed the crisis and will be held on May 4, 2024 in Paris, France.
