**VOCATIONAL SERVICE AWARD** calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society. Club members mentor young people for success in vocational pursuits, organize a vocational service discussion or group workshop to inspire others to take action, and teach other club members more about their vocation by giving a talk.

**COMMUNITY SERVICE AWARD** encourages every Rotarian to find ways to improve the quality of life for people in their communities and to serve the public's interest. Clubs lead the planning and implementation of a sustainable local service project, secure partnerships with a corporate, governmental, or nongovernmental entity to work on a project together, and volunteer in community service projects.

**INTERNATIONAL SERVICE AWARD** exemplifies our global reach in promoting peace and understanding. We support this service avenue by sponsoring or volunteering on international projects, seeking partners abroad and more.

**YOUTH SERVICE AWARD** recognizes the importance of empowering youth and young professionals through leadership development programs. Clubs lead the planning and implementation of a service project that supports the development of young people in the community; participate in a youth exchange event; sponsor an Interact Club; or foster a connection between club members and members of a local Interact Club.
