## Camp Drake Prairiелands Council Boy Scouts of America

The Champaign Rotary Club and WGRC Inc. in an unprecedented move has selected two major recipients of the proceeds of this years Action Auction. The Prairiелands Council of the Boy Scouts of America will receive \$35,000 for construction of a new drinking water well at Camp Drake.

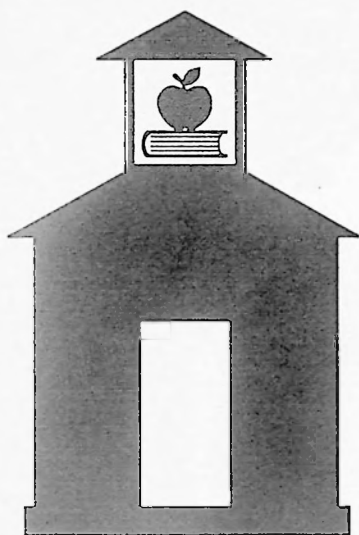

Champaign Rotary's commitment to scouting dates to 1919, when we provided \$950 to lift the Central Illinois scouting movement off the launch pad. Another major donation in 1933 helped acquire the land for the 280-acre Camp Robert Drake. Over the years, the Boy Scouts have been one of the very few organizations to receive the Club's continuing support at crucial junctures.

Many of you are aware, that in the aftermath of flooding from the Salt Fork River, the Illinois Department of Public Health ruled the existing well, hand dug in 1932, unsafe. Without a new well, Camp Drake cannot open for the 1995 camping season (seriously compromising opportunities for both Boy and Girl Scouts ).

An engineering study estimates that a new well will cost \$50,000. Champaign Rotary's contribution will provide the leverage for the Prairiелands Council to raise the balance needed, partly as in-kind gifts, from other friends of scouting. Your contribution will assure continued camping at Camp Drake and clean safe drinking water for our scouts.

# WGRC Action Auction Goal \$75,000

## Champaign-Urbana Community Schools Foundation

This year we feel very fortunate to be able to fund two major projects appropriate to the Champaign Rotary Club's service mission.

We are targeting \$25,000 in the form of an endowment gift to the Champaign-Urbana Community Schools Foundation. It is not surprising that this relatively young Foundation is becoming more and more widely recognized by people concerned about public education.

Started in 1988, the Champaign-Urbana Community Schools Foundation is an independent, non-profit corporation comprised of citizens committed to encouraging leadership in educational initiatives in the Champaign-Urbana schools.

The Foundation provides a tangible way for all of us to make a difference. It is not an entitlement program because it is free of the constraints of budget and state curriculum mandates. As concerned citizens, we would be entering into a partnership with public education. The Foundation preempts nothing presently being done, but addresses problem areas and supports innovations and teacher-initiated activities that expand educational horizons for all Champaign-Urbana children.

With your support, the worthy goal of creating schools that are a proud part of the community will be achieved.

**\$75,000 for our community**

Every third year for the past eighteen years, WGRC Inc., the philanthropic arm the Champaign Rotary Club, has conducted an auction to assist in carrying out its mission. Each of these auctions has resulted in a substantial gift to the designated beneficiary. This year in an unprecedented move the Champaign Rotary Club has undertaken the task of assisting two excellent organizations with your generosity, Camp Drake of the Prairielands Council of the Boy Scouts of America and the Champaign-Urbana Community Schools Foundation. A successful auction will result in a \$35,000 gift to the Prairielands Council of the Boy Scouts to allow the replacement of a now condemned sixty-two year old well at Camp Drake. The Champaign-Urbana Community Schools Foundation will receive a \$25,000 endowment gift to permit it to continue to support teacher initiated activities for our community's future leaders, our school children. It is equally important to remember that in addition to the two major recipients this auction represents the Champaign Rotary Club and WGRC's ability to meet community needs for the next three years.

# How to look like a Rotary Action Auction Professional

(BRING THIS CATALOG TO THE AUCTION)

## SPECIAL INSTRUCTIONS TO MAKE YOUR EVENING MORE ENJOYABLE

Preparing for the auction:

1. This is the catalog for the 1995 Action Auction. As Guy Duker our answer to Andrew Lloyd Webber once wrote, "The difference between Action and Auction is U."
2. Now is the time to form your buying/bidding syndicate. You can combine resources and gain more buying power. **Nice things happen to those who overbid.**
3. Bring extra **CASH** to buy Raffle Tickets and make sure you have your Harley ticket.
4. Don't forget to bring this catalog with you. It will allow you to follow the auction and help record your bid price.

**The evening begins at 5:30 p.m. on Saturday May 20.**

1. Your first stop upon arrival is the reception table. Here you turn-in your ticket, receive your bid number, and find out the location of your reserved table.
2. Your next stop (right next to the reception table) should be to buy Raffle Tickets.  
Here's how the raffle works:
  - a. Each raffle item has a box for raffle tickets just for that item. You may place as many raffle tickets in each box as you like.
  - b. There are 20 raffle items. To have a chance at each item you must buy at least 20 tickets (or one per raffle item).  
Obviously, the more tickets you put in each box, the greater your odds for winning.
  - c. The raffle will take place immediately following the auction. This will give you plenty of time to buy your tickets and decide which raffle items you wish to compete for.
  - d. Any raffle item not having any tickets in its box, will be auctioned to the highest bidder.
  - e. Raffle Tickets Cost:  
\$ 5.00 for 3 tickets  
\$10.00 for 7 tickets  
\$20.00 for 20 tickets
  - f. The Raffle tickets are numbered and come in pairs. You keep one half of the pair (your claim ticket) and put the other half (same number) in the box of your choice. **DO NOT PUT BOTH HALVES IN A BOX OR IN DIFFERENT BOXES. YOUR CLAIM TICKET IDENTIFIES YOU AS THE WINNER.**

4. Now that you're finally inside you can find your table, meet your friends and enjoy the gala surroundings. Don't forget to stuff your raffle tickets in the boxes of your choice. Raffle and Auction items will be on display for your review.
5. Dinner will be served promptly at 6:30 P.M. Enjoy your meal.
6. Please refer to the Rules and Procedures of the Action Auction on page 5. You are encouraged to pay for your successful bid (cash, check, Visa or Mastercard) through out the auction. Of course, you may collect all your winning bids and pay at the end.

#### **After the last auction item--PICK YOUR PRIZE RAFFLE**

1. The Raffle boxes will be opened in sequence as listed in the catalog. The winning Raffle ticket will be drawn and the numbers will be announced. You must present the matching ticket (same number) to win. Yes, someone else (other than the owner) may hold your raffle ticket and claim the item. The winning number will be announced as they are drawn from the individual boxes. Any unclaimed numbers will be announced again once all raffle items have been drawn. At this time, if there is no claim, a second ticket will be drawn. This procedure will continue until a winner is found. It is important to be alert and watch and listen for your number.
2. Cashiers will be prepared to accept payment for auction items throughout the evening. You must pay before departure in the True Rotary Spirit. You are requested to remove physical items that evening, or make arrangements with Greg Lykins for delivery.

## **"The Harley Davidson Raffle"**

**the last item of business**

We will close the evening with "The Harley Raffle" some lucky person will ride away with a brand new Harley Davidson motorcycle. If you are not the cycling type you may opt for \$15,000 cash. Good luck!!!!

#### **SUMMARY:**

Rotary hopes these instructions are useful to you and that you'll enjoy the Action Auction.

This will be a night to remember. Above all else, our effort to support Camp Drake and the Boy Scouts as well as the Champaign-Urbana Community Schools Foundation is for us to have the kind of community and world we all want to live in. Please bid generously.

# MESSAGE FROM THE PRESIDENT

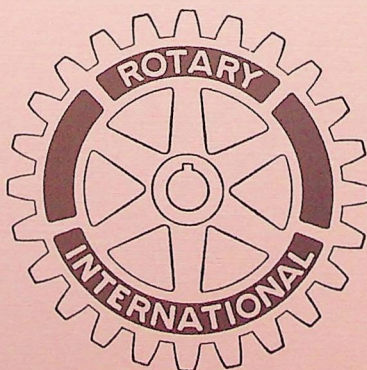

**"Be a Friend"** is the motto of this year's Rotary International President, Bill Huntley. Bill wrote in a recent letter to our club that *"friends support one another and spontaneously develop community. A friend sustains hope, increases faith and expresses love in practical terms"*. The Champaign Rotary Club sponsors the ACTION AUCTION once every three years. This year the funds collected are primarily earmarked for local youth. Tonight, each one of us has an opportunity to "be a friend" to the youth of our community. The best part is that we get to have a good time doing it!

I am pleased that this year we have the good fortune of having two excellent organizations, as major recipients of the funds raised by the Action Auction. Camp Drake the local scout camp operated by the Prairielands Council of the Boy Scouts of America and the Champaign-Urbana Community Schools Foundation.

Under the capable leadership of Chairman Tod Dawson, we have been planning this event for almost a year. Congratulations to the entire committee and all the members of our club for selecting two such deserving recipients. We recognize the hours of hard work and planning it takes to conduct an event such as this. All of us now have the unique opportunity to **"be a friend"** to all of the children in our community. We will make history tonight as we embark on the highest goal in our club's long and distinguished history. Let's join together to make the 1995 ACTION AUCTION an incredible community success.

I personally want to thank each one of you for the role that you have played and will play as we continue the tradition of community support that is the Champaign Rotary Club, the World's Greatest Rotary Club.

Thomas M. Good  
President
